MBDA President's Report – October 2025

As I reflect on the past 12 months and my second term as President of the Murgon Business and Development Association (MBDA), I am proud of the progress we've continued to make together. This has been another year of connection, collaboration, and commitment to supporting local business and strengthening our wonderful community.

One of our highlights this year has been the continued success of our Meet and Greet sessions, providing opportunities for local business owners to connect, share ideas, and work together to address common challenges. These informal gatherings have helped build stronger relationships and a greater sense of unity among our members.

We again celebrated the festive season with a wonderful Christmas break-up, and our regular support for community events has reinforced the MBDA's role as an active, visible, and supportive organisation within the community.

Throughout the year, the Association has stayed true to its objectives of promoting local trade, commerce, and industry in Murgon and the surrounding district. We have continued to encourage development in our region by exploring opportunities, collaborating with local and regional organisations, and maintaining open communication with Council and community groups.

Our publication, Murgon Moments, continues to be a much-loved source of local news and business updates. A heartfelt thank you to Leo Geraghty for his ongoing dedication as editor, and to Lorraine, who assists with administration and financial matters behind the scenes. Your consistent efforts ensure the publication remains a cornerstone of community connection.

The "Why Leave Town" gift card program remains a popular local initiative that directly supports our members and encourages shopping locally. I'd like to thank all participating businesses for helping keep money circulating within our community.

Our executive team has once again shown remarkable dedication and teamwork. I sincerely thank you for your time over this last 12 months. I would particularly like to thank Lorraine, our Treasurer and acting Secretary, for her tireless work, and Shane, our Vice President, for his support throughout the year.

Stepping Down as President

After much consideration, I have made the difficult decision to step down from the role of President and from the MBDA Committee. As many of you know, managing my own business and family responsibilities has become increasingly demanding, and I need to devote more time to both.

This has not been an easy choice, as the MBDA and our community hold a very special place in my heart. However, I believe this is the right time for me to step back and allow fresh energy and ideas to guide the Association into its next chapter.

I want to assure everyone that I will remain available to support the incoming committee, share ideas, and assist wherever I can. I have every confidence that the MBDA will continue to thrive and play a key role in shaping Murgon's future. I look forward to rejoining the executive team in the future when the time is right.

In closing, I would like to express my sincere gratitude to our members for your ongoing support, attendance, and enthusiasm. Your commitment keeps the MBDA strong and ensures our town continues to grow and prosper. It has been an honour to serve as President, and I am incredibly proud of what we have achieved together.

Thank you all for your trust, encouragement, and friendship.

Amy Wicks
