Part of the program at the recent Murgon Lions change of officer's dinner was an address by Ashley Rynne who was part of the Lions Youth Exchange Program. Ashley spent some time in the land of the Long White Cloud exploring the ways of another culture. She was to give the club and guests a little briefing on what this trip meant to her, with the wisdom of time to consider all of it. Ashley and her mother Crissy had all of the relations of her grandfather Phillip Bishop turn up to hear Ashley's great presentation.

Well that is what everyone including Phillip and Wife Elva thought. Ashley took to the podium with a very cheeky look and announced "Well Granddad", I am here tonight to announce and present to you the Lions James D Richardson Honour Award. You should have seen the look on Phillips face. He had planned to go to Hervey Bay and the family had talked him into staying and going tomorrow. This Award is named after James D Richardson, who in 1958 was the first Australian to serve as a Director on the International Board of Directors. Jim Richardson was one of the most beloved and respected members of Lions in the formative years of the Association in Australia. He served in the Royal Australian Air Force during the 1939-45 World War before establishing himself in the Brunswick – Mullumbimby area of New South Wales. Jim was second District Governor to be elected in Australia in 1956 57 and the first Australian to serve as a Director on the International Board of Directors in 1958. He was recognised internationally for his magnificent oratory which held people spellbound at conventions and gathering of Lions. The growth of new clubs during his year as District Governor, fifty two, was never approached again by any District Governor.

The demands he placed upon himself meant that he travelled enormous distances by road, so that he could visit all his Clubs, attend to Association and other business, as well as run his hotel with the great support of his wife Pam. The strains caused him to have a Cerebral Thrombosis whilst attending, the International Board meeting in New Orleans in 1959. He recovered after a long convalescence, but without his capacity to speak. He was never again capable of carrying on a conversation or making a speech but continued to work for Lions at club level and attend conventions. James D Richardson BEM was one of the most dedicated and respected early leaders of Lions in Australia. In recognition of him being our first Australian International Director, the Australian Lions Foundation has instituted the James D Richardson honour award.

Congratulations Phillip and well done to all the Bishop family who were all promised "look out if you tell Phillip" The Lions Club is the largest service club in the world and Global Leader in International Humanitarian work, during the past year Murgon Lions raised \$10,000. One of the recipients of some of these funds were the Murgon Primary

School to assist with Year 3 and Year 6 School camps. The housing of the defibrillator at the Murgon Info Centre was also a project along with the combined service club dinner at Cloyna Hall. A can and bottle recycling collection point, the Food Van, Catering, Manure bagging and the monthly sausage sizzle at Mitre Ten are the clubs main source of income.

Murgon looks forward to working with the new Murgon Lions team led by President Bill Kearney OAM.

Murgon Market Report 25/6/19

850 were yarded in Murgon on Tuesday. Export cattle and Feeder types sold to fairly firm rates. Weaner steers and heifers are still selling to very depressed values. THANK YOU WIDE BAY!

To everyone who helped, encouraged and supported my campaign, I say a very heart felt thank you.

It takes courage to put your hand up to represent an electorate, and I congratulate the other candidates on their campaigns.

The votes are now counted, but the people of Wide Bay have sent Canberra a clear message that they don't want higher taxes. They reject Labor's lies about health and education funding. They trust the Liberal and National Parties to keep our economy strong and our borders secure.

There are exciting times ahead for Wide Bay. Prior to the election I announced funding for a range of infrastructure, economic, community service, and sports projects that were locked into the 2019 Federal Budget.

I now look forward to being part of the Liberal and Nationals team that delivers these projects that will create jobs and improve local services throughout Wide Bay.

Maryborough's sugar industry is set to benefit from a new off stream water storage supply that will sustain its operations and support 600 local jobs.

The Tewantin-Noosa Cricket Club, Noosa Tigers AFL, and Maryborough Softball are all set to receive upgrades.

A footpath will be constructed between Murgon and Cherbourg to create local jobs for young people.

The Maryborough Military and Colonial Museum will receive funding for solar panels and air conditioning, Sherwood Hall at Gympie's Avenues Lifestyle Support will be renovated, Sunshine Butterflies will be extended to support the wonderful work of Leanne and her committed team, funding is available to fit out Maryborough's Independent Riders and the Tin Can Bay Fishing Club, a covered area will be constructed at Maryborough's Riding for the Disabled, and new audio visual equipment will be installed at the Murgon's Town Hall.

With the return of the Morrison Government I expect my election commitments including a new maintenance shed for Noosa Dolphins and a veterans drop-in centre at Murgon to be fulfilled.

I also look forward to the delivery of the Cooroy to Curra Section D project, the Coondoo Creek Bridge connecting the Cooloola Coast to Gympie, the upgrade to the intersection of the Bruce Highway and Wide Bay Highway at Bells Bridge, and the new safety improvements, flood mitigation projects and overtaking lanes that are planned along the Bruce Highway through Wide Bay. It's now time for the Queensland Government step up and get moving on these projects.

In the time since I was elected I've used my voice in to provide strong representation to achieve results for Wide Bay.

I value and respect the trust and faith the people of Wide Bay have placed in me as their representative in the Australian Parliament and I am committed to continuing my track record of service and delivery and putting the people of my electorate first.

Thank you, Wide Bay.

Council's revised Community Grant Program Policy supports community based organisations to enhance and enrich our community

Community Groups and not-for-profit organisations across the South Burnett can receive a boost for their events, projects and initiatives thanks to South Burnett Regional Council's Community Grants Program.

From 1 July 2019, Council will implement a revised Community Grant Program Policy. The revised policy will continue to distribute financial and in-kind assistance equitably and transparently, with the most significant changes including:

- 5.3 Councillor Discretionary Fund – this fund requires an application form to be completed a minimum of three weeks prior to the activity/event for funding up to a total of \$1,000.
- 5.5 Healthy Communities Sponsorship – this fund now has a maximum amount of funding up to \$3,000 per activity/event.
- 5.6 In-kind Sponsorship – this sponsorship requires an application to be received a minimum of four weeks prior to the activity/event.
- 5.10 Indigenous Affairs Fund – this fund is a new category and requires an application to be completed a minimum of three weeks prior to the activity/event.
- Successful applications submitted in the August Round One each financial year will be announced in October and must have a commencement date no earlier than 1 November.
- Successful applications submitted in the February Round Two each financial year will be announced in April and must have a commencement date no earlier than 1 May.

Mayor Keith Campbell said that Council is pleased to be in a position to assist community groups and not-for-profit organisations to enhance their service provision to the wider community.

“Hard working community groups and not-for-profit organisations are the backbone of our region and Council is delighted to support community facilities, projects, events and programs that have a clear community benefit or need,” said Mayor Campbell.

“The Community Grants Program is competitive and applications are assessed on merit. I encourage groups and organisations to take the opportunity to become familiar with the available funding and submit applications,” he added.

For more information please contact Council's Community Grants Officer on 07 4189 9100.

Dob In a Dealer campaign will help clean up drugs in Wide Bay

Dob in a Dealer campaign run by Crime Stoppers Australia, benefitting communities across Wide Bay. The program is funded from the proceeds of crime, money that was destined to line the pockets of our most serious criminals.

“Dob in a Dealer is a call to action to Wide Bay communities to provide Crime Stoppers with information to assist law enforcement in disrupting the import, manufacture and supply of ice and other harmful illicit drugs,”

“We encourage Wide Bay residents to anonymously contact Crime Stoppers on 1800 333 000 or online at www.crimestoppers.com.au to ‘dob in’ those people profiting from the use of illicit drugs in our community.

“Drugs such as ice have a devastating impact on local communities.

“The Government recognises that police can’t fight this on their own, and that our community can play a strong part to undermine and disrupt any criminal business models operating in local areas.” The last *Dob in a Dealer* campaign, which ran between February 2016 and March 2017, saw an average national increase of 95 per cent in drug-related information reports, including an increase of 143 per cent in the number of amphetamine-related reports from the public.

During 2016 in Queensland, Crime Stoppers received more than 17,000 drug-related information reports, including more than 5200 amphetamine-related reports. This led to more than 600 arrests and the seizure of more than \$1 million worth of drugs.

A top night at Murgon Rotary's Changeover Dinner with Heath & Rowena Sanders & Val Hodson being presented with Paul Harris Fellows, 6 new members joining up, a great MC Rex Shelton & some great speakers, Matt Collins, Mayor Keith Campbell, District Governor Wendy Protheroe & Leo Geraghty!!

Photo L-R: President Heath Sander, Rowena Sanders, District Governor Wendy Protheroe, Assistant Governor Neil Black, Treasurer Val Hodson,

Guest speaker was local Crow Fm radio broadcaster and South Burnett Times journalist Matt Collins. Matt showed a lot of courage in telling all the lows and highs of his life and his passion to eventually being a great interviewer.

President Heath was pleased to announce that Murgon Rotary this year had distributed \$42,005.00 in aid to a large number of charities including The McGrath Foundation, Prostrate Cancer, Polio Plus, Rotary Foundation, Barambah Ministers Association, Castra Retirement Home, National Breast Cancer Foundation, SShelter Box Australia, Murgon State High School, The sponsorship of child Thailand, Lismore Drought Appeal, Murgon Neighbourhood

Watch, Graham House Transport Division, Fiji School, Robyn's Roses, Murgon Show Society, Murgon Hospital Auxiliary, SB Blue Care, Murgon SB PCYC, The Royal Flying Doctors Service, Life Flight, Smart Dog (Kalila Vukelic), Papua New Guinea Nondugl Club. The Murgon Music Muster, now in its 9th year, and the Bush Bash had tremendously benefitted both Murgon and lots of other towns.

The Rotary Club of Murgon attended and contributed to many events over the year and was successful in obtaining the biggest grant to date for \$29,062.00 for the installation of "big ass" fans into the South Burnett Regional Council owned SB PCYC main stadium.

The Rotary Club of Murgon has been recognized almost each year at Australia Day celebrations and this year was no different. We were awarded the "South Burnett Community Organization of The Year" for both the South Burnett and Murgon Business & Development Assoc Inc, Australia Day awards.

Congratulations Murgon Rotary Club.

A MOMENT – with Murgon Local Ambulance Committee

Congratulations to the Murgon Business & Development Assoc. Inc., Lions Club of Murgon and Murgon Visitor Information Centre on the installation of an alarmed security box for the Automated External Defibrillator (AED) outside the Murgon VIC, allowing quick access to this life-saving equipment 24 hours a day, from anywhere in the CBD.

Immediate Cardio-Pulmonary Resuscitation (CPR), with use of an AED, gives anyone suffering a Sudden Cardiac Arrest the best chance of survival; and, as AED's are increasingly becoming available in the community - workplaces, shopping centres, sporting and entertainment venues - survival rates are improving significantly; but, when an emergency occurs, someone has to have the confidence to take down the machine and use it!

Murgon LAC, along with other ambulance committees, is involved in awareness-raising, demonstrating CPR and use of an AED at community events, such as the very entertaining Wondai Country Festival, where both adults and children had the opportunity to try these skills for themselves. CPR Awareness courses – one was hosted recently by the Wondai Catholic Ladies – enable participants to gain more knowledge and practical experience in these life-saving techniques. (For further information, contact Kerry or Bob - phone 4169 0909).

Finally, a cordial invitation is extended to the people of Murgon, Wondai, Cherbourg and surrounding districts to attend Murgon LAC's AGM, to be held at Murgon Services Club on Wednesday, 28th August commencing 7 pm.

MURGON
SHOWGROUNDS

www.murgonrailtrailfestival.com.au

Don't miss it, Bring the Family, See You There.

The Murgon Rail Trail Festival and Marathon

held, in conjunction with the Murgon Business & Development Association Inc,
is on Sunday the 21st July, 2019.

The highlight of the festival is the mega inflatable obstacle course – Fun Run Fever. The Fun Run Fever is a one-of-a-kind inflatable obstacle challenge based on one thing: having fun. Be prepared to wind your way through an imaginative and creative course across 40 minutes that is sure to challenge and surprise you. The mega inflatable race course includes 8 obstacles which range from 30 m in length to 8m high making it one of the biggest obstacle courses ever to come to the bush

The run/ride events take participants along the South Burnett Rail Trail – starting and finishing at the Murgon Sports & Showgrounds.

The section has a bitumen cover and offers a superb surface for both running, walking and riding while retaining the benefits of a typical trail environment. It's flat by no

means and will be very fast for some while others can simply take their time and soak up the atmosphere.

The 5km, 10km, half marathon and 13/13km rail trail team relay will head out to their relative halfway points with a single turn before heading back to the finish. The new addition to this year's events list includes the duathlon which consist of a 13km run and 13km ride. This event can also be completed as a team.

The run/ride events will commence at 7am and we will close off the roads at 6am to avoid people from parking in these zones.

The festival has something for everyone with all day live entertainment from local entertainers Amber Goldsmith and Rowan Edwards, Markets Stalls, Food and Wine and heaps of activities for the little ones. Comedy Pig Races, Animal Nursery, Mini Obstacle Course, Billy Cart Racing and Show and Shine.

Murgon State School News...

Each Friday Parade at Murgon State School, Students, Staff, Parents and Community Members gather to celebrate student successes. A student from each class from Prep to Year 6 is presented with an ABC Award during parade. ABC stands for Attendance, Behaviour, Curriculum with students being chosen as award recipients based on these key areas. Students must have 100% attendance for the week, demonstrate positive behaviour choices in all areas of school and for all personnel and all classroom tasks and homework must be completed to achieve the curriculum component of the award.

Along with ABC awards, students also have opportunities to speak about their visits to CASTRA for Pals, report on sporting achievements and Early Act, community messages and share their STRIVE words of the week. STRIVE is a whole school approach to the explicit teaching of vocabulary in the classroom.

MITRE 10

THE MURGON MITRE 10 FOOTPATHS DONE PARTY SALE

To celebrate the completion of our recent Footpath Renovation, we are throwing a massive one day Footpath Party Sale on Saturday morning 8am – 12.00pm - 13th July!!!

There will be fantastic savings across the store with 20% off live plants and 10% off all other products (excluding power tools). Spend \$20 or more and go into the draw to win a \$100 gift voucher.

Deputy Mayor Kathy Duff will be on hand to help celebrate and to cut the ceremonial ribbon.

Editor: I was once a Roundup Man but after looking at the beautiful plants and the low prices I have changed my mind, combine this with all the other hardware products it is definitely the place to shop..

Photo L-R: Kathryn Smith being given expert advice by Anne O'Reilly of Murgon Hardware (Mitre 10).

Proston CWA Debutante Ball

(History of the first 50 years of the Proston CWA)

(Dirt file a nimble Pixie? 64 years ago) The fairy folk of Proston were astir on Saturday night, July 16th, on the occasion of the presentation of 10 pretty debutantes to Mr JA Heading CMG MLA. The stage of the Proston School of Arts had been transformed, as a result of much hard work by Mesdames H Pickels and Krause, into a fairyland setting into which the debutantes stepped before proceeding to the ballroom. The debutantes were introduced by Matrons of Honour Mesdames Osborne (Vic President Gympie/South Burnett Division) and McKell (Treasurer Gympie/South Burnett Division).

As proceedings commenced, the fairy folk crept into Fairyland to take their places amid the toad-stool houses, while the wise old owl watched approvingly from his tree in the background. Even the squirrels and the bunnies were peeping and blue birds hovered amidst the scenery. First came the flower elves (Ken Dawson and Bill Krause), then the pixies (**Leo Geraghty** and Peter Krause), then two beautiful fairies (Robyn Day and Bronwyn Harvie) took up their positions on either side of the floral archway. The baby fairy (Kay Thomson) came next. The page boys (David Dawson and Doug Creagh) in blue satin costumes, heralded the approach of the official party which was led into the hall by flower girls:

Colleen Geraghty and Joan Thomson, beautifully gowned in pink nylon voile over taffeta, each carrying a basket of flowers. Joan made the baskets herself.

The official party consisted of Mr Heading, Mesdames McKell and Osborne, Mr & Mrs Dawson (Proston Branch President), Cr and Mrs LG Smith (Wondai). The matrons of honour were each presented with a bouquet of sweet peas and Geraldton wax by the flower girls.

As each debutante stepped into Fairyland her name was announced by the Master of Ceremonies, Mr L Krause, and after being presented, she was escorted by her partner to her position in the ballroom to await the opening strains of the debutante waltz, which was followed by the Pride of Erin, this dance giving the audience a wonderful opportunity to admire the beautiful frocking. Mrs Geraghty provided the music throughout the presentation ceremony.

At the conclusion of the dancing, the flower girls and page boys led the official party to the supper room, the debutantes and their partners following, escorted by the fairies and pixies to where the members of the CWA had provided a beautiful supper. The tables and supper room had been artistically decorated with bowls of flowers by Mesdames Gordon and Murphy. The debutante cake, which took pride of place, was the work of Mrs L Krause, Miss Diana Wieden was

the lucky recipient of the doll dressed as a debutante which adorned the cake. Each debutante received a hand-worked blue linen handkerchief, these being the work of various members of the CWA.

Mr Heading proposed the toast of "the debutantes", thanking them for their co-operation with the CWA to make the night a success. The speaker also stressed the fact that the happiness and welfare of their town and district would depend on the example they would set and the interest they would take in the various organisation of the town. Mr Don Barton responded.

Mr Dawson proposed the toast to Mr Heading which was given musical honours. Mr Heading suitably responded. Mrs Smith was then invited to cut the debutante cake. Proposing the toast to the CWA Cr LG Smith remarked on the work the organisation was doing for the country and said he hoped that the girls would one day become active members of the CWA. Mrs Osborne responded.

Door takings totalled £114/10/-, which is believed to be a record for Proston. A Monte Carlo waltz was won by Mr & Mrs KW Maroske (Proston). Mr Jack Manthey assisted Mr Krause as MC, while music was supplied by the Hot Shots Orchestra (Wondai).

The Debutantes were:

Miss Gloria Raabe (partnered by Mr Don Barton) - frock of white tinsel net over taffeta, short sleeved, close fitting bodice with draped neckline, very full gathered skirt of tinsel net with back being a cascade of gathered nylon.

Miss Noreen Blanch (Mr James Blanch) - nylon organza, very full gathered skirt, square necked bodice trimmed with large tucks and organdie floral trimming around neckline, puffed sleeves. She carried a fan bouquet and wore a pearl necklace and earrings.

Miss Betty Rankin (Mr Bill Cattanach) - bodice of guipure lace with extended sleeves and boat neckline edged with guipure motifs with rhinestone centres, full nylon tulle skirt with guipure motifs around top of skirt finished with two camellias at waistline. She carried a posy of camellias.

Miss Margaret Smoothy (Mr EJ Rogers) – white frosted organdie featuring a tucked bodice with organdie flowers applied to the neckline, a rhinestone forming the centre of each flower, full gathered skirt with applied flowers at the hipline, short puffed sleeves. She carried a posy of organdie roses and carnations.

Miss Violet Schulz (Mr R Potter) – white water wave taffeta with full gathered skirt, bodice featuring shirred front, full puffed sleeves and sweetheart neckline, pearl necklace, earrings and bracelet. She carried a posy of roses.

Miss Bethel Rankin (Mr Doug Reinke) – stiffened marquisette over taffeta featuring a tight fitting bodice with embroidered marquisette yoke, puffed sleeves, full bouffant skirt trimmed with embroidered marquisette cascades, pearl necklace and earrings.

Miss Kathleen Tryhorn (Mr Mervyn Elliott) – white nylon over taffeta, bodice of nylon lace, gathered shoulder line, sweetheart neckline, waistline formed peaked front, full circular skirt from waist, sparkler necklace, earrings and lace mittens.

Miss Merle Chesterton (Mr Russel Layt) – silver lame and brocaded satin, the gleaming silver bodice with the sweetheart neckline was moulded to the figure and merged gently to the hipline, forming a peaked front. Tiny capelet sleeves accented the shoulder lines, full length skirt of shimmering satin in billowing folds, bouquet of ivory flowers moulded on an ivory fan.

Miss Helen Schulz (Mr Ron Schulz) – embossed satin with tracery of all over lace flouncing on portrait neckline, and flowering panel of all over lace in skirt softly gathered at waist.

Miss Diana Wieden (Mr Clyde McKenzie) – white embossed satin featuring the new long torso style wit softly draped flared skirt from hip line and draped collar, diamante cowclips , necklet, stud earrings. She wore a trail of small flowers in her hair and long white gloves.

Photo: Colleen Geraghty.

We are still seeking group photos from the years 1946, 1948, 1953 and 1955. In fact any photos from Proston CWA prior to 1978 would be very welcome.

We formed a Heritage Assn in Proston late last year and we are starting to look towards our Centenary in 2023. This marks 100 years since the coming of the rail to Proston and the start of the township itself, although the surrounding areas had been settled some 10 years previously.

As part of our celebrations we are planning a book and would welcome contributions from families and individuals who have lived or worked in the town or district. We are hoping families will share their stories or some interesting or amusing anecdotes from their time in Proston. We would appreciate any help you could give if you and your family could contribute some memories. Linda Rea, 13 Wondai Road, Proston Q 4613. Phone : 0428 689 280

MURGON ANNUAL BOOKFEST

Murgon Red Cross will again be holding the Bookfest in partnership with Murgon Men's Shed in a few months time.

If you have any books at home that you no longer wish to keep & would like to recycle, you are welcome to drop them off any Wednesday, Thursday or Saturday morning at the Men's Shed in Macalister Street.

SOUTH BURNETT PARKINSON'S SUPPORT GROUP

Our guest speaker this month was a very special lady called Rose. This was the first time Rose had spoken formally to a group of people about her life. Rose had Russian parents, was born in Brazil and lived in America before coming to Australia. She found her way to Murgon where she has found much happiness and is heavily involved in the community. Rose volunteers her time at the local **Visitor Information Centre** as well as other committees in town.

Rose gave a very enlightening and interesting talk about her and her families past. Several members kept the conversation going with their questions to her. Rose believes after living and travelling in many different countries that Australia is the best place to live.

Thanks to Darryl for suggesting and organising our June speaker. There certainly are many interesting people living in our community.

Rose brought along her partner Kev to enjoy the meeting. Darryl's sister Phenella also attended as she often does. Apologies were received due to illness from several members.

Rose and Kev were our **Lucky Numbers** winners and Elva won the best answer to our Trivia question.

Golf day donations were received from Jenny J and, **Bunnings** Kingaroy, Others have also pledged their support and we await their donations. Preparations are going along nicely for this fundraising event being coordinated by **Graham House** for our group. If you are a local business and wish to donate phone the contact numbers below.

Our morning finished with **"the last laugh"** as Merrilyn read two jokes: a **WiFi** joke and a woman's joke.

COMING UP: **CHARITY GOLF DAY at MURGON GOLF CLUB on SATURDAY JULY 27 at 1.00 pm. ALL WELCOME.** Phone Darryl 4168 3116 or Carmen 5486 1268 for further information.

JULY MEETING DATE: MONDAY JULY 29 . All welcome.

Parkinson's is a chronic progressive disease with no known cure.

Our Club recently secured a grant from the Department of Justice and Attorney General for the provision and installation of 2 huge fans in the stadium of the PCYC, which are to be installed before the end of June. These should make any sporting and other activities held in the hall in the summer months, much more comfortable.

June is a busy time for all clubs who change their executive at this time of year, and some of our members have recently attended enjoyable and informative Changeover Dinners for the Rotary Clubs of Taabinga and Kingaroy. Our Club's Changeover Dinner will also have been held by the time this publication goes to print, and we are very happy to have been able to welcome six new members to our Club on the night.

Some of the community may remember a previous Rotarian, Babu Singh, who used to work in Murgon but who has now returned to Fiji. Through the goodwill of Sandy Hoffman, we have recently been able to send two refurbished laptops and an amount of stationery through Babu to the Rotary Club of Nadi, to assist the Hindu Mahasabha School in Logi Village, Fiji. We hope to have a photo for the next issue.

The Club continues to support the Containers for Change scheme and we were pleased to donate our recent funds to the Graham House Transport Division. Some members also collect and deliver items such as milk and other drink containers and cardboard to the Cherbourg Recycling Facility which adds to funds for the Council and reduces landfill for all of us. Our Containers for Change Number is C10155384.

The annual Murgon Music Muster is now only four months away and will be held from 29th October to 3rd November. The Club has commenced seeking sponsorship and/or prizes from businesses in the district to assist in presenting the Muster and is most grateful to those who are able to assist in these tough times. We hope by bringing lots of visitors to the region that our economy benefits greatly during that week. Brochures are available in the Visitor Information Centre and will shortly be available in some businesses in the district. This year Tania Kernaghan is our headline artist, and will be wonderfully supported by Anne Kirkpatrick, Tracy Coster, Amber Lawrence and many, many others. More information will be available in future issues but keep the dates in mind for a great local event.

We sadly mourn the loss of:

HARTWIG, Robin Vincent , Late of Wondai.

MADIGAN, Michael Patrick (Pat), Late of Goomeri,

KUIL, Roelf , Late of Murgon

HARCH, Wilfred, Late of Murgon

ATWOOD, Lex Raymond, Late of Wondai

CHAMBERS, Brian, Late of Murgon (formerly of Kingaroy)

JESBERG, (nee Coulson) Elsie Margaret, Late of Wondai.

HAWKINS, Edward Stanley, Late of Wondai.

THE NO INTEREST LOAN SCHEME

A community focused initiative

Loans for people on low income

The No Interest Scheme (NILS) provides individuals and families on low incomes access to safe, fair and affordable credit.

Loans for essential goods and services up to a maximum of \$1,500 are available to eligible people, depending on their capacity to repay.

To be eligible for NILS you must have a Health Care Card or earn less than \$45,000 a year (after tax). Loans cannot be used for cash, bond, rent arrears, debt consolidation, holidays or bills. Contact Graham House for enquiries.

WHAT'S ON

@ SOUTH BURNETT LIBRARIES

JULY 2019 | www.southburnett.qld.gov.au/libraries

"OUTBACK BOOGIE" CONCERT

The Kingaroy Library is very excited to announce an extra special story time on Tuesday 2 July at 10am at the Kingaroy Town Hall. This is a free concert for children aged between 0-6 years.

Blue Gum Farm TV's new live show "Outback Boogie" is a little bit quirky and a whole lot of fun! It is a celebration of life in the Queensland bush!

"Outback Boogie" is an interactive concert for children that focuses on Australian native animals and their life in the Australian bush.

Presented by 4th generation farmer Cilla, and the Blue Gum Farm TV crew, "Outback Boogie" incorporates song, dance and storytelling in a fun and educational journey through rural Australia.

MEDITATION AT NANANGO LIBRARY

Join Nanango Library for Meditation at Ringsfield House every Wednesday morning at 9.30 – 10.30 am. Weekly meditation classes are offered with the intention to increase energy and improve health and well-being whilst working towards reducing stress and anxiety.

Bookings are essential: contact Nanango Library on 4189 9438 to book your spot.

RHYME TIME @ MURGON LIBRARY

Rhyme Time features songs, rhymes and finger plays to promote early literacy and language development for infants up to two (2) years. Join in the fun at the Murgon Library Rhyme Time sessions, held every Tuesday at 9.30am.

COMPUTER CLASS

Book your basic computer class session through the Wondai Library on 4189 9252.

SOUTH BURNETT REGIONAL COUNCIL LIBRARIES:

- engage young children, caregivers and parents in reading readiness programs to support school entry success through the First 5 Forever Program where parents and caregivers can learn the tips around how to talk, play, read, sing and dance with your pre-schoolers.
- Provide free public access computers for community use. Book your session with your local library.
- Ask a library staff member to guide you to discover a great read or find information through our catalogue or via our 24/7 online resources or connect with like-minded people by joining group activities provided in the libraries across the region.

2019 CENTRAL DIVISION 47TH BATTALION Rugby League Carnival held in MURGON.

Congratulations to the Murgon Mustangs Rugby League Club who hosted the best under 18 and under 20 players from Rockhampton to Toowoomba. Using both footy fields at the Murgon Sports Ground this was the chance to see some of the best young players in country Queensland ready to show off their skills (future NRL players). From these representative sides players were selected to play in the QRL Central Crows teams to play South-East Queensland on July 27 at Bishop Park in Nundah. This was an awesome effort by a team of Murgon champions to host a magnificent footy carnival with 350 players & 50 officials in our region for the weekend!! Representative teams came from Gladstone, Roma, Central Highlands, Bundaberg, Rockhampton, Toowoomba, Sunshine Coast, Queensland Outback and the South Burnett. Toowoomba and Bundaberg played off in the finals of the under 20, with the Toowoomba side after a hard fought game, being successful for the Trophy. Individual Trophies were awarded for outstanding players in the finals and for the two day carnival.

Photo: Captain of the successful Toowoomba Clydesdales side congratulating Murgon, your club and volunteers who do an amazing job for such a big weekend combined with other participating teams, officials, referees, linesmen, ball boys and others.

The 2019 Central Crows under 18 & under 20 representative sides.

Darling Downs Health South Burnett staff at Murgon and Wondai recently promoted healthy smiles by holding education sessions to children six years and under on how to take correct care of their teeth.

The smile behind the initiative, Amy Innes Clinical Child Health Nurse for Murgon and Wondai, formed the idea after speaking with a parent who was concerned on what oral care she should be teaching her child.

“Good habits start early in life and strong teeth are very important to a child’s health,” Ms Innes said.

Senior Oral Health Therapist Natalie Brown attended the education sessions at Murgon Library and Mother Kates Childcare in Wondai.

“I explained the importance of healthy eating and correctly brushing their teeth,” Ms Brown said.

“I asked the children to demonstrate on the puppet teeth model how they brush their teeth and when needed corrected their technique.

To keep the children engaged Ms Brown asked the kids to divide different foods into groups of everyday consumption and in moderation consumption. When foods were put into the wrong groups, Ms Brown corrected and explained why the foods were placed in the incorrect group.

“I also taught the importance of healthy drinking and explained what drinks are bad for their teeth,” Ms Brown said. The sessions were a great success for both the children and the parents.

“The parents and children had heaps of questions to ask it was fantastic,” Ms Innes said. Another session will be held later this year to reinforce the healthy behaviors taught in these initial sessions.

PRATT AGENCIES PTY LTD

Applications now open for the Premier's Anzac Prize 2020

The Premier's Anzac Prize provides the opportunity for high school students to experience the Anzac tradition first-hand and how the Anzac legacy relates to modern Australian life.

Queensland high school students in Years 8-11 are encouraged to apply for the 2020 Premier's Anzac Prize. Applications close 5pm Friday 20 September 2019.

In 2019, the students undertook a 16-day tour of London and First World War battlefields in France and Belgium. The experience deepened their understanding of Australia's Anzac legacy.

Free annual health checks for personnel leaving Defence Force

Federal Member for Wide Bay Llew O'Brien reminds Australian Defence Force (ADF) personnel who are leaving service, they will be able to book in for their free Veteran Health Check.

From 1 July 2019 all ADF personnel leaving full-time service can gain access to a fully funded comprehensive health check from a GP every year for the first five years.

"These health checks are specifically designed for veterans and allows them to keep on top of their health as they return to civilian life," Mr O'Brien said

Wondai Regional Art Gallery

Our three exhibitions feature Gallery 1 Peter Moss, Gallery 2 John Spies Memorial Exhibition and Gallery 3 Louise Eves and Cherbourg State School.

Gallery 1 *"Protect What Is Left"* will showcase the art of Peter Moss. Peter suffered a debilitating back injury at age 21, and as a result, he has over the ensuing years used Art as his creative outlet and pain relief. He paints mostly the Australian wildlife hoping that his efforts will alert other people to the beauty and plight of the wildlife around us that we do not often do not take the time to look at.

Peter wants us all to experience the pleasure he receives from his painting. Maybe his art will inspire others to paint! "You never know what you can do until you try or you have no other choice like me!"

In Gallery 2 *"John Spies Memorial Exhibition"*, our main gallery, we will have a large exhibition of John Spies work. John passed away in 2006 and the Wondai Regional Art Gallery has carried printed cards of his paintings, for sale, for many years. John was an immigrant from the Netherlands, via New Zealand, before settling in Queensland and marrying Margie in 1984. John was an avid painter of the nocturnal wildlife here in Australia.

Both John, and Peter Moss, painted Wildlife hoping to alert people to the abundant wildlife most of us are not aware of. John was dubbed "the Wildman of the Bush", and as his widow, Margie, says "there is more truth to this name than most people realise. It is with great honour that we are hosting the John Spies Memorial Exhibition.

In Gallery 3 **"Collective"**, we have the exhibition from Louise Eves. Louise, as have the other Artists exhibiting this month, painted for a very long time, receiving tutelage from other Artists and Art Schools.

Louise is a more diverse Artist, ranging from Animals, Portraits, Landscapes and Seascapes; using acrylics, mixed media, watercolours and pastels.

Louise made a "tree-change" to Kilkivan from the Sunshine Coast in 2017 and it is with excitement we welcome her into the Art world of the South Burnett.

Our Kids Korner will have the Artworks from the Cherbourg State School.

You are invited to attend Murgon Neighbourhood Watch meeting Murgon Services Club Diggers Room, 6.00pm to 7.30pm Monday 15th July, 2019, Come and enjoy an informative night with other members of your community.

****There is no cost to attend and no joining fee****

Darryl Brohman, (the 'Big Marn') Guest of Jennifer and Mark McDonald.

Darryl Brohman, Burly Queensland forward played first grade for Brisbane Norths as a 17-year-old and won Brisbane's Rothmans' Medal in 1976. Brohman played for Queensland against Great Britain in 1977 but missed selection for interstate duty the following year. This provided the motivation to venture south to Sydney following an approach from Penrith. For five seasons Brohman added a much-needed touch of class to the Panthers' attack but a smashed jaw in the first State of Origin match of 1983 (courtesy of Les Boyd) ended his hopes for Test selection. Joining C'bury for two premiership-winning seasons, Brohman was a major force in the Bulldogs' 6-4 win over P'matta in 1984. Lack of first grade opportunities saw him return to Penrith; a move that produced another appearance for Queensland in 1986, before he ended his career as a member of the club's reserve grade premiership-winning team in 1987. Brohman later

took up lower grade coaching with Brisbane (1988) and C'bury (1989) and was an adviser to coach Phil Gould at Penrith before pursuing a career in the rugby league media and in particular the TV "The Footy Show" with Paul Vautin.

Darryl Brohman entertained a large audience of rugby league supporters with his amazing wit and love of the game at a supporter's dinner at the Royal Hotel in Murgon organized by licensee Jennifer and Mark McDonald recently.

BACK ON THE ROAD!

We would like to thank our customers for their understanding & welcome new clients.

Warm Winter days bring the flats to life.

The winter weather is now in full swing and it's about time too! It's been unseasonably warm this year and the fish have been sitting deeper than usual. It's a good thing now that the cold is finally here because the edge bite is heating up and you'll need to pull yourself away from the campfire for that crisp run up the dam to your first fishing spot. It's been a great month for fishing on our inland impoundments, especially Boondooma and Barambah with some great reports coming from all over the dams of great catches of native fish.

Lake Boondooma

Photo: Jeremy and Jaquie with some great fish from a recent charter on Boondooma.

Early mornings on Boondooma have been crisp and very still and the best place to start your day flicking lures is on the edge. Here,

you've got a few options. The first option I would start by throwing jerk baits. The secret here is to choose a jerk bait in a bright colour that is 60 to 70 mm long and suspends when paused on the retrieve, my personal choice is the Norries Laydown minnow. The best method is to cast the lure to the edge and slowly roll your jerk bait down. Twitch the lure a couple of times when you're down to the swimming depth and repeat this process continuously. Twitch the lure regularly and make sure you add lots of pauses in between. The bass have been cruising shallow and close to the edge and have been smashing any small jerk bait that has been presented as I mentioned. Always make sure you're ready for the bite, as the bass absolutely hammer these baits. It's a fun way to fish but you must be patient and move a few spots if you're not having much luck early on.

Option number two is finding a good steep rocky edge that has some laydown timber on it. These edges have been producing some great fish. Both the Boyne and the Stuart arms have edges like this and it's worth taking some time to fish them well with lipless crank baits and spinner baits. It's a good idea to do this as early as you can, because the fish tend to become very wary as the sun comes out.

Another great option when the sun is well up and the day is starting to warm is the main basin. The basin is holding some good schools of big bass. The best spots to check are the Junction through to Pelican Point, Leisagangs ledge and the Barbour's Pole. Cast 1/4 to 3/8 ounce blades and let them sink to the bottom. Use a slow, hopping retrieve and let the lure sink back to the bottom through the retrieve. Also, don't go past tail spinners, 12 gram being the best, cast them out and let them sink to the bottom. Use a slow lift and pause retrieve all the way back to the boat, the fish will usually hit the lure when it's sinking back to the bottom.

Trollers are getting some good yellow belly in the arms of the dam using deep diving hard bodies. Troll in close to the timber of the rocks in the Boyne arm.

Bait fisherman your best chance is to fish the trees in the arms of the dam in 20 to 30 feet of water with live shrimp, worms and yabbies.

Lake Barambah

The dam has gone a little quiet of late but that's not unusual for this time of year, some good fish can still

be caught if you're persistent and hit the right areas. Unlike Boondooma, the bass and yellow belly have been caught well out in the deeper flats of the dam. Look for flats that are in the main basin from 15 to 25 feet. Once you locate a school in this depth the best bait to throw of late is the Ecogear ZX 40 blade. This little lure is very versatile and can be fished by jiggging vertically or cast and hopped back to the boat. Small hops are the secret, as the fish have been quite tentative during the day.

There's some nice Yellas getting around in BP

Yellow belly are still able to be targeted but you'll need to hit any areas that have cover for them. Look for rocky edges, submerged trees or a mixture of both. Jig blades, tail spinners or ice jigs around

any trees or structure or cast spinnerbaits into the pockets around the edges or any trees and your very likely to catch a few.

Trollers are still catching fish but it can be a little slow this time of year. Beware that the trees in the back of the dam are no longer an option as the water is very shallow and you will ground the boat. Best options for trolling are around the main lake points. Deep diving hard bodies and blades are a good option.

Fishing Charters

Don't forget that you can book a fishing charter with me on BP and Boondooma dams. If you'd like a great day out and all the info and knowledge to catch Bass or Yellow belly in our two great dams make sure you give me a call on 0408658592 and I'll be happy to take you out for a great days fishing.

Until next month, tight lines and bent rods. Matthew Langford

Your Donation is Gratefully Received.

Photo: Manager of the Murgon Commonwealth Bank Jennifer Mc Donald presents a cheque to David Mollenhauer the President of The Murgon Men's Shed. The Commonwealth Bank employees have given numerous donations over the past years to worthy not for profit organizations in the Murgon area.

Celebrating 101 years of Commonwealth Bank Employees donating to local community groups, charities and disadvantaged schools saw the CommBank Foundation Centenary Grants present a cheque for \$500 to our local Murgon Men's Shed. Manager of the Commonwealth Bank Murgon Jennifer McDonald stated "That what started with our people creating care packages to send to troops fighting on the frontline in 1917 has now grown to over 13,700 of our people donating regularly to provide grants to support the wellbeing of the Australian Community.

We're proud to support our local Murgon Men's Shed for all of the work they're doing for the community.

The Murgon Men's Shed was established to create an environment suitable for men to talk and interact freely, and to build an inclusive camaraderie – where they have the freedom to discuss important issues in their lives, and offer mutual support. The physical space offers both a place and a time for men to come together. The equipment provides a mechanism for men to build their skills and knowledge, relax, develop confidence, experience satisfaction and enjoyment, and to create useful items.

The items, and projects, add value to the community and enhance the members' sense of worth and community connectivity.

Eulogy – Robert George King, died 4th June 2019.

My father Robert George King lived in the South Burnett nearly all of his life. He was a country man through and through, as were his parents George and Emily of Mt Binga, 20 kilometres from Blackbutt. Growing up as a country kid meant a few more hardships than normal and it made for a tough generation. Dad and his brother Les had to ride their ponies from the Mt Binga farm to the small country school at Googa, 5 miles one way. Dad often related the story of the day he broke his leg on the tennis court, and the pain of riding home with a broken leg on his one-eyed horse, no ambulance back then. When that school closed my father and his brother Les finished their education in Kingaroy, boarding at a hostel and coming home weekends.

Dad married my mother, Barbara Hartmann at the age of twenty-five in 1960 in Crow's Nest. Mum was twenty at the time. They had met at a tennis match for the Junior Farmers. Dad was the president for the Cooyar branch. They continued to see each other by attending balls and dances, mostly in Crow's Nest. Dad was quite a good dancer and I too can remember the local dances at the Blackbutt town hall. After marriage, they were on a dairy farm for the first few years and then shifted to the home property "Oakdale" at Mt Binga to be with our grandparents, George and Emily King.

He taught his four sons to ride a horse before we could ride a bike. Mum always said he couldn't wait for us to be riding around with him and that was true. We thought we were being punished if we weren't allowed to go on a muster. It was a great life for us kids. At some stage Dad thought we should learn the finer art of riding and started taking us to Cooyar for Pony Club. We'd have a day out with other like-minded children which included a big family picnic for lunch. In truth though we had more fun with the musters with dad and our grandfather, a host of cattle dogs and stockwhips cracking. Dad also took us fishing a lot, I recall many a night on the banks of the Brisbane River or Emu Creek with Dad, our Grandfather and sometimes our uncles and cousins. We had a good life at Mt Binga with our horses, our fishing trips, and of course our motor bikes. They are good memories.

Not having the chance of a higher education, himself, Dad didn't mind driving my brother Brenden and I all the way to Emerald Agricultural College to complete our studies. He never complained about the travelling.

Shifting to Murgon in November 1984 was life-changing for Dad. It meant a smaller property of 300 acres at Redgate and working for a while as a carpenter. He helped build the new Westpac Bank in the main street. That is the bank that got burnt down years later. In 1985, six months after coming to Murgon, my parents bought a furniture shop in Gore Street. It was just a tin shed to begin but they transformed it into thriving business, eventually becoming the main furniture shop in town. We are very proud of what he achieved with that shop, He'd take the furniture truck to Brisbane every week or fortnight to pick up new stock. Hard work was something that didn't bother him at all. It was nothing for Dad to swing a three-seater lounge onto his shoulders when unloading the truck. In 1995, my younger brother Jamie helped my parents in the business and continued for ten years. It was always a family business.

The furniture shop, together with the small 300-acre farm at Redgate suited Dad to a tee. He adjusted to running both the business and the small farm very well and ended up talking about furniture as much as he skited about his favourite Santa Gertrudis cattle that he reared on the Redgate farm. Mum had to sell the

shop after 20 years as Dad was obviously becoming ill. It was the beginning of his Parkinson's disease but he was not diagnosed until much later.

Dad worked tirelessly for the Show Society in Murgon and was president for three terms. In March 1997, he was host to the first Lady Governor of Queensland, Mrs Leneen Ford who opened the Annual Murgon Agricultural show. It was a great experience and he enjoyed escorting her around the cattle yards and taking a ride with her in the antique car. Dad had also been a member of the Free Masons and became chairman on two occasions – once in Blackbutt and again in Murgon.

In 2002 we lost our brother David who was settled in Blackbutt. David had a business with Big Machinery – excavators, bulldozers and a semi-trailer. He built dams for the farmers and roads for the council. If David wanted to talk about machinery, it was Dad he phoned. They had long, long conversations over the phone, often, always

about machinery. When David died suddenly, we all suffered a lot, especially Dad.

My father rode horses all his life until illness took over and he couldn't swing his leg over the horse's back anymore. It was a great shame when he suffered Parkinson's Disease and then a couple of strokes. Dad was in Care at the Castra Aged Care home for over five years.

We would like to thank the carers, the nurses, and the staff at Castra for their kindness and dedication while caring for my father. You are all special people. Rest in Peace Dad.

Written by Christopher, third son of Robert and Barbara King.

This is the poem read at Rob's funeral by Granddaughter Emma-Lee and written by his wife Barbara.

"Spirit Wings"

by Barbara Hartmann King.

Old age is nothing more than a reflection in a glass
Of a body no longer so nimble as years gone past
With hair turned grey and wrinkles more than a few,
Some of the tell-tale signs of a life lived through.

But deep inside we do not change, we are the same,
Our spirit as ageless as the sun, the sky, the rain.
We still need some of the things of younger years
And though mellowed and wiser, with less to fear,

Our companionship and sharing are forever strong
We still crave love, and the lasting need to belong
Our age-worn bodies are just an earthly encumbrance,
That we endure in exchange for years of circumstance.

Our aging the legacy of gaining the knowledge
We must attain, if an earthly life has any real logic
Old age is nothing once we know the way of things,
We are forever young with our eternal spirit wings.

Enjoying Agforce Farmers night in Proston with Petro Civoniceva

Barambah Garden Club

Greg Anderson, the treasurer of the Toowoomba Clivia club was the guest speaker at the June meeting of our club. Greg informed us that clivias love shade with a little bit of filtered light preferably morning sun. They are very hardy and enjoy a feed of sulphate of potash in August. Only bush bees pollinate clivias so he told us how to pollinate them by hand and how to create different colours. Gardeners have now managed to create colours from a very dark orange (red) to very nearly white.

A bus trip is being organized on the 24th July to the Sunshine Coast. The first port of call will be Camelia Glen, who specialize in Camellias, Azalea and Rhododendron. Lunch will be at Kevin Redd's Sustainable Cuisine at Kiels Mt Woombye. Kevin offers catering and landscaping and he doesn't follow the rules, choosing to experiment with vegies

he loves, no matter what his climate. Our final stop will be Bamboo Heaven. Their speciality being Beekeeping, Honey, Bamboo, Flowers and Foliage.

Club members have been asked if they would like invite a friend to come along on this trip.

The August meeting will be the AGM on August 9th, meeting at Bill and Lyn's and lunch at the Murgon Motor Inn. Members have been asked to wear a decorated hat.

For more information phone:- Ann 0438 8686238 or Mary 0417 198953

South Burnett Sub Chamber Regional Finals

Murgon Show representatives Teagan Hall was a finalist representing Murgon and won the title of 2019 South Burnett Miss Showgirl. Lorraine Taylor from Murgon was the winner of the Dark Rich Fruit Cake Competition.

Krystal Wardrop won Dairy Young Judges and Dairy Young Handlers and Georgia Graham won Stud Beef Young Judges. Teagan, Lorraine, Krystal & Georgia will all go to EKKA later this year representing Murgon and the South Burnett at the State Finals. Goodluck ladies. We wish them all the best and enjoy a great experience.

The Waste Levy and Your Local Government

The Queensland Government's waste levy comes into effect from today. While the State Government has said that residents will not cop extra costs - we think the levy will increase the financial and regulatory pressures placed on small business.

While local governments are directed by the law to use the amount paid to lessen the direct impact of the waste levy on households, businesses are not included.

Your answers in the Suncorp CCIQ Pulse Survey will be used to inform us of the key issues affecting your business within your local government area.

This is the first step in developing region-specific reports, ahead of the local council elections in March 2020. We are developing these in partnership with regional chambers and you to hold the government responsible for creating a better business environment in your region.

The ukulele craze has taken off at Wheatland's School. Parker, Ethan, Coby and Shaun are practicing for the school parade.

Volunteers from Graham House in Murgon are also well into the fund raising for the 2019 Relay for Life by holding the Biggest Morning Tea recently in Murgon.

Congratulations to the newly elected Executive at the BP Dam Fish Stocking Group AGM held on 11th June at the Murgon Services Club.

Photo L-R: Treasurer John Francis, President Bill Schloss, Secretary Cindy Schloss.

Other elected members include: Executive Management Committee Member Trevor Stead, Vice President Mat Langford, Plus extra Management Executive Members Brett Holznagel and Alan Walters.

South Burnett Libraries Presented Outback Boogie! at the Kingaroy Town Hall on Tuesday 2 July

The multi-award winning Blue Gum Farm TV concert series returned in 2019 with a brand new show!

A little bit quirky and a whole lot of fun – “The Outback Boogie” was an interactive concert for children that focused on Australian native animals and their life in the Australian bush, which is suitable for ages 0-6 years.

We met Elvis Emu as he grazed out in the paddock. We saw Sunny, the cockatoo as she foraged for seeds at the silo and joined old Grandad Goanna on his adventures around the farm.

Presented by 4th generation farmer Cilla, and the Blue Gum Farm TV crew, “The Outback Boogie” incorporated song, dance, puppets and storytelling in a fun and entertaining journey through rural Australia.

Hard workers at the canteen at the Domestic Violence Footy Day held in Murgon recently were kept busy selling food and drinks. They then backed up at the 2019 Central Division 47th Battalion Rugby League Carnival held in Murgon recently. We would love to know how many buckets of chips were sold

These Are very old photos but held in great pride by one of our lovely locals, remember the May Day marches in Brisbane ? Years ago, Yes, they were calling for World Peace then! The procession usually went from Queen St to the Brisbane Exhibition grounds and included floats, people with slogans and organizations celebrating political success or their views. The lovely lady at the top of this float was Beryl Coulson (nee McIndoe) of Murgon formerly of Proston. Beryl and her husband Hec were heavily involved in the Salvation Army and the Scouts Association of Queensland.

Get Ready Queensland – School Visits

Recently, The South Burnett Local Disaster Management Group had the pleasure of visiting three local schools including Tingoorra State School, Dulong South State School and Coolabunia State School. The visits were an opportunity to teach children how to prepare for and be more resilient during disaster events.

The school visits were a great occasion to promote South Burnett Regional Council’s Disaster Dashboard which has been created to provide residents and visitors with one point of truth during natural disasters. The South Burnett Disaster Dashboard feeds information straight from BOM, Ergon Energy, Queensland Traffic, Sunwater and links to Queensland Fires together with updates from the South Burnett Local Disaster Management Group. The Disaster Dashboard can be found at <http://dashboard.southburnett.qld.gov.au>. This visits were funded from Get Ready Queensland grant program. For further information contact Council on 4189 9100.

Photo: Members of the South Burnett Local Disaster Management Group at Dulong South State School.

MURGON MEN'S SHED GO TO SCHOOL.

On Thursday 13th June the children of Moffatdale State School enjoyed a special treat compliments of the Murgon Men's Shed. The Pumpkin Coach arrived at the school along with the Coach-Men and trusty steed, Red.

Murgon Men's Shed built the coach to participate in the Goomeri Pumpkin Festival. After months of work and utilising the skills of the men in the shed, the Coach entered in the Grand parade and also gave rides at the festival.

David Mollenhauer, President MMS, was approached by Mrs Koina, teacher at the school after she saw the coach at Goomeri. "Would it be possible to bring the coach out to the school ? David was thrilled to do so.

With great anticipation the children lined up for a ride in the coach. Tiaras and top hats were worn to add atmosphere to the occasion. Coach-man Spike, with the help of Red, and door-men, David, Alex and Jim, set off at a steady pace around the oval. All the children had a ride in the coach.

" How great is this", " I feel like a Princess", " What a great opportunity"

These were some of the comments made by the children.

Thanks go to Mrs Koina and the Murgon Men's Shed for giving the Children a fantastic morning.

Council's Chief Executive Officer (CEO) Mark Pitt honoured in the Queen's Birthday National Awards

On Monday 10 June 2019, Mr Mark Pitt was one of only three people in Queensland to be awarded a Public Service Medal (PSM). He was recognised for his outstanding public service to Local Government in Queensland.

Mayor Keith Campbell said, "Council congratulates Mr Pitt on receiving this honour. Mr Pitt is a man of great depth who's made a significant contribution and difference to the operations of the South Burnett Regional Council. Mr Pitt's humble nature, matched with his superb leadership skills and extensive knowledge of Local Government makes him a worthy recipient of this award."

Mr Pitt's Public Service Medal recognises his 20 year long career in Local Government. Mr Pitt was appointed CEO at South Burnett Regional Council in June last year. Before that, he was CEO at the North Burnett Regional Council for eight years. He has also worked at Northern Midlands Council in Tasmania

(General Manager), Cook Shire Council (CEO), Bulloo Shire Council (Deputy CEO) and McKinlay Shire Council (Community Services Manager).

For further information, contact Council on 4189 9100.

Joyce Kelly

The death occurred in Brisbane on June 8 of Joyce Elizabeth Kelly, a former resident of Wondai in the 1950s and '60s. She was aged 88 years. The only child of John and Emily Geraghty, Joyce was raised in Colton, outside Maryborough, where her father was the station master for Queensland Railways.

Nursing brought her to the South Burnett and she trained as a registered nurse at Wondai Hospital and also worked as a nursing aide at Cherbourg Hospital. It was at Wondai that she met her future husband fellow nurse Eugene Peter Kelly, son of a local farming family. They were married in 1955. In Wondai they were involved with Cub Scouts as Cub Master and Cub Mistress and various community organisations.

The family moved to Brisbane in 1966 and Joyce and Peter both continued nursing.

They also continued to be involved with Cub Scouts and the Police Citizens Youth Club (PCYC). Joyce became a board member on the State Board of Directors and travelled all over the state visiting clubs.

For the past eight years, Joyce had lived at Forest Lake Lodge. She was predeceased by Peter in 2003. She is survived by their three children, Peter John, Carmel and Chris, their spouses and four grandchildren. Joyce was the Neice of the Editor of Murgon Moments and SB PCYC Supporters Chairperson, Leo Geraghty .

Dairy & Heritage Museum Murgon

On the 9th June, we were delighted to provide the venue for a lovely couple to celebrate their special day. The weather was perfect and the Museum buildings and surrounds made the perfect setting for photos. Thanks' to Felicity & Jason for choosing our Museum.

It is not until you walk through the entrance gate that the full extent of what we have to offer is visible. The numerous buildings, displays and the area that the Museum covers.

This is a comment made by many of our visitors. With the Grey Nomads on the move our visitor numbers are increasing and we also have School visits booked.

Planning is underway for our "Country Fair" to be held on Saturday 28th September from 9.a.m.- 3.p.m. There will be Market and Food Stalls, Children's Activities, Devonshire Teas and much more. The buildings and

displays at the Museum will be open and entrance will be Adults \$5 School students and under Free.

This is The Museum's major fundraiser for 2019, come along enjoy a great day out and support our local Museum. For full details, make sure that you read the August edition of Murgon Moments and check out our Facebook page. Joy Fennell

JOKE FOR THE MONTH

A husband and wife are sitting quietly in bed reading when the wife looks over at him and asks the question...

Wife: What would you do if I died? Would you get married again?

Husband: Definitely not!

Wife: Why not? Don't you like being married?

Husband: Of course I do.

Wife: Then why wouldn't you remarry?

Husband: Okay, Okay I'd get married again.

Wife: You would? (with a hurt look)

Wife: Would you live in our house?

Husband: Sure it's a great house.

Wife: Would you sleep with her in our bed?

Husband: Where else would we sleep?

Wife: Would you let her drive my car?

Husband: Probably its almost new.

Wife: Would you replace my pictures with hers?

Husband: That would seem like the proper thing to do.

Wife: Would you give her my jewelry?

Husband: No I'm sure she would want her own.

Wife: Would you take her golfing with you and use my Clubs?

Husband: No, she's left-handed.

OOPS, SILENCE, and then the fight started.

Council's Budget

I am pleased that we have secured an additional one million dollars in this budget to go towards further work along the footpath in Lamb St. There is also \$400,000 to update scada/ cyber security of sites to telemetry. There has been \$416,000 allocated to the Mondure Hall to replace roof sheeting, roof tie downs and to restump it. The town entry signage across the region including the Villages has an allocation of \$100,000. There will be \$240,000 spent on upgrades at Yallakool Park at BP Dam. There is also significant funding allowed again for gravel resheeting, bitumen resealing and grading of roads.

Murgon Footpath Update

The work in front of Mitre 10 and the Burnett Tyre Service has been a trial and there have been lessons learned about better and quicker ways to do the surface to minimise the impact on businesses. There is still a coat of spray pave to go over the concrete which will happen in a few weeks time. This work should be able to be done outside shop hours. I would like to thank Anne and staff at Mitre 10 and Paul and staff at Burnett Tyre Service & Mechanical for their patience through this process. The work on the rest of the footpath is not planned to start until January next year. There will be further consultation with shop owners and a lot of planning in that period to ensure that things run smoothly and we get a good result for everyone.

Hivesville Happenings

It is exciting to announce that we have a card-operated standpipe for Hivesville that will give locals who are not on the Proston Rural Water Scheme a chance to access non-potable water for individual and community use.

Footy Fever

There is something very special about seeing a team of champions working together for a single outcome. The Murgon Junior Rugby League members & volunteers did an incredible job working around the clock to get the upgraded change rooms ready for the U18's & U20's 47th Battalion. They also worked around the clock when the 350 players arrived. The team of volunteers looked after them over the course of the event. I had loads of comments from the travellers about how great they were looked after and how fantastic the meals were. Congratulations to everyone involved on an awesome weekend.

Waste Management

It is frustrating for me and everyone concerned with the new State Government requirements for the management of waste. Due to legislative requirements implemented by the State Government on July 1st 2019, users of a Council waste facility with a landfill are required to have their registration number recorded, declare the type of waste being delivered and verify whether it is domestic or commercial waste. Council has to collect this data and the fees for commercial waste on behalf of the State Government, so that is why questions are being asked when you go to dispose of your waste at Murgon and Wondai. This is why we now have someone supervising all of the facilities where commercial waste is disposed of, which due to costs, has forced the reduced opening hours.

Proston Golf Club

The Proston Golf Club is really punching above its weight. Every time I drive past, I notice the number of travellers who have stopped in to have a beer or a game of golf. I have attended

some awesome functions there lately with huge crowds and the community digging deep to help a worthy cause. The Year 6 Canberra Trip Golf Day raised an amazing \$6000 plus amount!! Well done Craig Stephens and your team for all the hard work upgrading the facility and helping to bring people to Proston to support the businesses and the community.

Upcoming Events

The South Burnett is an amazing community for holding incredible events. Some upcoming events are the Murgon Rail Trail & Running Festival on Sunday July 21st, the Boondooma Homestead Scots in the Bush on the 15th to 18th of August, the Moffatdale Ridge Italian Festival September 8th, Qld Dairy & Heritage Museum Country Fair September 28th and the Murgon Music Muster on Oct 29th to Nov 3rd.

BIEDO'S New Space

I was pleased that our Council has been able to work with BIEDO to help achieve a fantastic new addition for the community which is a space called The Platform. This new area adjacent to the BIEDO office is available for use by individuals, businesses and community groups for meetings and other activities. I am pleased to be on the BIEDO Board and to be part of some of these exciting projects that BIEDO offer to our community.

Contact Details

As always I am working on following up jobs and concerns that have been brought to my attention. Please contact me if you have an issue or wish to make an appointment.

Cr Kathy Duff (Division 5) South Burnett Regional Council (Deputy Mayor)

Phone 07 41680225 or 0437020705 or email kduff@southburnett.qld.gov.au

Murgon hosted the QLD Small Business week celebrations on Wed 29th May. The commitment, passion and enthusiasm of our small business community was unmistakable at the Burnett Inland Business Meet & Greet held in Murgon. Although it was a chilly night there was a great response. Special thanks to guest speakers Jenna and Geoff of Kenilworth Country Bakery and our Wide Bay Burnett business panel featuring, Sean Nicholson (Cherbourg Aboriginal Shire Council), Dev Adhikary (Devs.com.au), Felicity Dascombe (Pursers Travel and Cruise) and Amanda Wenck (TRUTH Designs).

All attendees loved hearing some of their experiences in business.

Some great take home messages included

'Go all in and give your business everything you've got'

'Get to know your customers and build relationships with them'

'There's a lot of support for businesses out there, access and make the most of it'

'Keep working on new ideas, think about what's next for your business?'

The event was a collaboration between BIEDO, North Burnett Regional Council, Business South Burnett, Business and Industry Development - Gympie Regional Council, Cherbourg Aboriginal Shire Council, Bundaberg Business Enterprise Centre and Business Queensland on this Qld Small Business Week celebration.

269 kids at the Broncos development evening at Murgon.
Well done to all involved. Yes that's Michael Hancock in the front.

Lilyponds Bookclub

Graham House Community Centre Lilyponds Bookclub ventured on a trip to Brisbane to visit the Queensland State Library on the 4th April. We were fortunate enough to have a personal tour of the

Exhibition Home – A Suburban Obsession by the Co-Curator Chenoa Pettrup. What a fantastic exhibition and great time we had. I have added a summary of what the exhibition is about and suggest you log on to their site and see if you recognize a house that belonged to a family member or friend.

Home

A Suburban Obsession

There's no place like home. And there's no sense of nostalgia quite like the one we feel when we see a photograph of a home, our house, the house of someone close to us, the house where we spent our formative years.

Home: a suburban obsession exposes the social and emotional power of house and home, and the myriad connections between where we live and who we are.

THE CORLEY STORY

Home explores the social and emotional foundations of our houses through the incredible legacy of Frank and Eunice Corley.

From the 1960s to the 1970s, this entrepreneurial couple drove the suburban streets of Queensland in their pink Cadillac, taking photographs of houses and selling them to homeowners as calendar inserts, Christmas cards or standalone images.

Frank and Eunice are thought to have taken over a quarter of a million photographs of houses throughout South East Queensland and as far north as Bundaberg.

Around two-thirds of the photographs were sold to householders, and the remaining 61,000 unsold images were donated to State Library in 1995.

RECOLLECTING HOME

State Library has worked with the Annerley Stephens History Group and the University of Queensland's Architecture Theory Criticism History Research Centre to weave together notable stories involving houses and homes featured in the Corley collection. Together, these stories disrupt our conceptions of a uniform suburban experience.

Type in home.slq.qld.gov.au look up Home: a suburban obsession, click on the link corley explorer, scroll down to search and select your address, you will be amazed.

QCWA Gympie/ South Burnett Division Handcraft and Cultural Display

The ladies from the Gympie/South Burnett QCWA Division will hold their yearly Handcraft exhibition in the Murgon QCWA rooms McAlister St Murgon on Friday 2nd August 2019 from 10am till 2.30pm. There will be 55 classes judged. The winner of each class will then go on to the State competition in Brisbane in October. This exhibition is open to the public and entry is by a gold coin. Morning tea will be available for \$4 and lunch will also be on sale. There will be also be a craft stall and raffle. Contact Lois 0407965094
