E-Mail Editor: [Igeraghty@datawave.net.au](mailto:Igeraghty@datawave.net.au)

MURGON at the foothills of Boat Mountain, in the heart of the Burnett Valley, part of the great South Burnett.

A tremendous effort from the National Seniors with Executives of National Seniors Australia Murgon & District Branch presenting one of the three cheques for \$500 each to a representative from the Royal Flying Doctors organization. The other recipients were Life Flight and the Local Murgon Ambulance Committee.

Photo L-R: Tricia Seiler - Publicity officer, Maureen Jahnke - Treasurer, Carolyn Saffron from the Royal Flying Doctors and Paula Woods - President.

## GRANTS AVAILABLE FOR SUPPORTING YOUNGER VETERANS

Federal Member for Wide Bay Llew O'Brien today encouraged community and ex-service organisations to apply for grants for projects that deliver sustainable services for younger veterans.

"\$1 million is available in the second round of the Supporting Younger Veterans (SYV) program for projects that build community support and service the unique needs of younger veterans transitioning to civilian life," Mr O'Brien said.

The grants program recognises the importance of the transition phase for Australian Defence Force (ADF) personnel as they leave the military.

Applications are invited for a range of initiatives including mentoring, team building, self-improvement, and creative activities that promote social inclusion and peer-to-peer support for younger veterans.

"There were 11 projects funded under the first round of program, ranging from art, writing and higher education programs to research and support for emergency accommodation." Mr O'Brien said.

The SYV grants program will provide \$4.25 million over five years and delivers another Coalition Government election commitment to support the needs of younger veterans as they leave the ADF.

Younger servicemen and women can face unique transition challenges as they leave the ADF and integrate back into civilian life. These grants will assist in raising awareness of the important issues facing younger veterans.

Applications for this round of SYV grants close on 1 September 2017, with successful applicants announced later in the year.

More information about the SYV grants program, including how to submit an application can be found online at [www.dva.gov.au/consultation-and-grants/grants](http://www.dva.gov.au/consultation-and-grants/grants).

Alternatively the Department of Veterans' Affairs can be contacted by phone on 133 254.

## FIRST HOME SUPER SAVER SCHEME

Federal Member for Wide Bay, Llew O'Brien, today encouraged first home buyers to take advantage of the Coalition Government's First Home Super Saver Scheme, which came into effect on 1 July.

"The First Home Super Saver Scheme will allow many people to save for a deposit faster than saving through a standard deposit account."

The scheme, announced in this year's Budget, will give first home savers the ability to accelerate their savings for a home deposit by at least 30 per cent.

First home buyers will be able to save for a house deposit within their superannuation by making voluntary contributions of up to \$15,000 per year and \$30,000 in total into their superannuation account.

These contributions, which are taxed at the discounted rate of 15 per cent, along with deemed earnings, can be withdrawn for a deposit from 1 July next year. Withdrawals will be taxed at marginal tax rates less a 30 per cent offset.

Further information on the First Home Super Saver Scheme is available at: [http://www.budget.gov.au/2017-18/content/glossies/factsheets/html/HA\\_14.htm](http://www.budget.gov.au/2017-18/content/glossies/factsheets/html/HA_14.htm).

First Home Buyers can obtain an indication of how the scheme can benefit them by visiting: [www.budget.gov.au/estimator](http://www.budget.gov.au/estimator).

## ROTARY CLUB DONATES LIFE SAVING EQUIPMENT

Recently the Kingaroy Rotary Club approached the South Burnett Regional Council and offered to supply the Kingaroy Library with an Automated External Defibrillator (AED).

The President and members of the Kingaroy Rotary Club met up with Cr Danita Potter and staff at the Kingaroy Library for the official hand over of the AED.

“This project will have such a positive impact on our community and I would like to express our appreciation to the Rotary Club of Kingaroy for choosing to donate this AED to the Kingaroy Library.” said Cr Danita Potter “It is the hope that the need for this AED will not be realised, however knowing that it is available for any cardiac emergency, will hopefully assist and prevent a tragedy that otherwise may not have been averted.”

President of the Kingaroy Rotary Club, Wayne Bushell said “Our Club realised back in 2014 that although many organisations and businesses in the South Burnett trained their staff in first aid and part of that training involved the use of an AED, however none at that time owned one. We recently identified the Kingaroy Library as a possible candidate for a defibrillator location given the age of some of its members and its central location.”

All staff in the Kingaroy Library will be trained in the use of the AED and the South Burnett Regional Council will be responsible for its maintenance and upkeep, however the cost is minimal compared to the peace of mind that it will bring.

Statistics show that early intervention in cases of cardiac arrest (within the first 5 minutes) can dramatically improve outcomes for the victims if an AED is available. For every minute that a person in cardiac arrest goes without being successfully treated (by defibrillation), the chance of survival decreases by 7 percent per minute in the first 3 minutes, and decreases by 10 percent per minute as time advances beyond ~3 minutes.

Given there are many sports and community associations/groups in our community located in areas where immediate medical assistance is not available, the response time is greater than 5 minutes, and as such their members are exposed to higher risk of fatality in a cardiac arrest.

For this reason, the Rotary Club initiated this community project and to date have purchased and supplied eleven (11) units throughout the Kingaroy Community.

Cr Keith Campbell welcomed the delivery of the AED and congratulated the Kingaroy Rotary Club on their commitment to assist in the prevention of fatalities that may occur due to cardiac arrests.

## LifeFlight Bears Picnic 2017

Chief and his LifeFlight bear friends invite you to hold your own **LifeFlight Bears Picnic** throughout September and raise funds to help save lives in your community.

It's easy and fun. All you need to do it register your event – receive your kit – lock in a date – invite friends and family – host your event – bank your funds.

The LifeFlight Foundation's friendly fundraising team can support you and your event.

LifeFlight introduced their iconic 'bears' in 1995. LifeFlight crews even carry bears on board the chopper to give extra comfort to young and vulnerable patients.

Regards, Mandy Hentschel,

## THE RAIL TRAIL IS OPENING ON Sunday 1st October 2017

Allan Mitchell from the Murgon Men's Shed advised the Men's Shed are very keen to be involved in the opening and already have many projects underway. There will be an opening at all towns along the trail from Kingaroy to Murgon. There will be Billy Cart Races, Entertainers, Vintage Car Rally, Boats and casting demonstrations, The Murgon Men's Shed will have their restored carts and wagons on display, BBQ's and more. People are starting to use it now

A Rail Trail Committee needs to be formed to get this event up and running. Many hands went up at the meeting and it was also suggested that a community announcement be made on Crow and the other radio stations calling for volunteers from the town to come forward with ideas.

Can you be part of the organization, we would love to have you.

## We love Murgon and South Burnett

Dr Stella Miller, Dr John Watt and the staff of The Country Dentist want to thank you for your ongoing support. Dr Watt is available for appointments on Tuesdays and Wednesdays in Murgon. Dr Miller is available Monday to Friday.

## Now also in Sunshine Plaza, Maroochydore

Our latest news is that we have taken The Country Dentist to Sunshine Plaza, at Maroochydore where we are trading 7 days. We would like to introduce Dr Jaewon Cha, a very enthusiastic and capable Dentist who is caring for patients at our Sunshine Plaza Practice. **Murgon 07 41681540, Maroochydore 1300 327766**

**MURGON Real Estate**  
**4168 2922** *Your Local Agent*

Beautiful Character Home on 100 Acres - 'Glen View' is a quality property just 20 minutes from Murgon. 100 acres of ex-dairy and cultivation country. Mostly flat however rising gradually to hilled shaded winter paddock perfectly suited to cows and calves. The property is 80% cleared grassed with blue grass, rhodes, siratro and native pastures. Currently running 25 head of cattle on rotational grazing however has the capacity to carry more.

Lovely, renovated, four bedroom Queenslander sits proudly in the middle of the property. The current owners have retained many of the original features whilst adding modern comforts including air-conditioning, fresh and neutral paint, new carpet and an updated bathroom. The home is spacious with high ceilings, ornate windows and polished timber floors. The kitchen has a large Euralec gas cooktop and oven, a Smeg dishwasher, new flooring and extensive storage. All four bedrooms have built in cupboards providing ample storage throughout the home.

A double lock up garage sits next to the home with skillion carports either side. A short walk from the home sits the old dairy with powered workshop and further storage.

100metres from the home sits the original barn and stables. The barn is full of character and has power connected. The current owners have used this barn for been entertaining guests and functionally for keeping stock feed dry. A three bay hay/tractor shed, an old concreted floor pigery is located to the rear of the barn. Fully functional and shaded steel cattle yards are located between the barn and the tractor shed. The yards are equipped with head bale, ramp and vet crush.

Fenced into four large main paddocks with two internal paddocks. Two main dams and a seasonal waterway. The front dam pumps to a 5,000 gallon header tank which supplements water supply to the residence and vegetable garden. The home is equipped with four rainwater tanks ensuring ample water supply year in, year out. A second 5,000 gallon water tank is located behind the tractor shed and is well suited to supplying water for stock in the rear paddock. \$395,000

Peaceful Living - Vacant Possession This immaculate home built on 1002m2 of land is only minutes from the Murgon's Town Centre, in a sought after location. A perfect property to call home. The home boasts four bedrooms, built-in wardrobes, 2 rooms are air conditioned, two bathrooms, featuring a great open plan living style, air-conditioned dining and family room with plenty of storage space, a double lockup garage with internal access with a great laundry space tucked away. The master bedroom features ensuite. The kitchen benefits from quality appliances, dishwasher, gas cook top and electric wall oven, large pantry and plenty of storage, breakfast bar to dining area. Outside, covered entertainment deck with rural views. The back yard is fully fenced with double gates leading to a lock up colorbond shed. Tank and town water are connected to the house. \$310,000

This home is situated at Tablelands just out of Murgon on 212 acres. Set high up on the hill and offers outstanding views. Much sought after location. 3 Bedrooms, 2 Bathrooms and 2 Toilets. Reverse cycle a/c, modern timber kitchen. Covered patio plus enclosed entertaining area. 18,000 Gallons of rain water. There is lockable car accommodation for 4 vehicles. Well established landscaped gardens. School bus to all local schools. Our Seller is negotiable on the asking price. \$329,000

STORAGE FACILITIES AVAILABLE FOR RENT IN BOTH MURGON AND WONDAL.  
FROM \$20 PER WEEK PLUS GST.

## STH. BURNETT PARKINSON'S SUPPORT GROUP:

A wonderful morning tea was held at *Moffatdale Ridge* winery at the end of May. The weather was superb, the scenery was *easy on the eyes* and there was lots of good company and happy conversation.

Jason gave a short talk on the history of the family winery and spoke about how it had gone from humble beginnings to now having its wine grace tables in many different countries. The winery is well known for its verdelho which is unique in taste and a great accompaniment to seafood.

Guests on the day included Jean from Gympie PD group and Deputy Mayor Kathy Duff. Kathy presented our lucky number prizes (which she had also donated) to Shirley and Earl. Thanks for your attendance and gifts.

*Happy Birthday* chocolates were presented to Jenny, Darryl and Charles. Each lady present was given a decorated chocolate to celebrate a late *Ladies/Mother's Day*. It was also an extra SPECIAL day for Merrilyn and Charles who were celebrating their wedding anniversary. Congratulations. They both were beaming with happiness.

For further details phone *Darryl* 07 4168 3116 or *Carmen* 07 5486 1268.

Photo: Merrilyn and Charles who were celebrating their wedding anniversary.

## Kingaroy Supa IGA Mayor's Charity Ball Nears its fundraising target

'What a spectacular evening', said Mayor Keith Campbell. 'Words cannot describe how appreciative I am of the overwhelming support from our great sponsors and the community to ensuring the future of the community hospital'.

"As I have previously stated, I set a goal in early 2017 to raise \$50,000 and I can safely say that this was achieved. In fact, the ball raised \$56,000", said Mayor Keith Campbell.

A cheque will be presented to the South Burnett Community Hospital Foundation at its June Board Meeting by Mayor Keith Campbell. "The community signed over 10,000 petitions to keep the doors of this community hospital open and we as a community need to ensure they remain open. This is the right move forward."

The support has been tremendous and there are so many that need to be thanked." Together we have made a difference!

## NEW ELECTORATE BOUNDARIES CONFIRMED

Recent changes to Queensland's state electorate boundaries are now complete. The changes mean that the entire South Burnett Regional Council area, as well as some western parts of the Gympie Regional Council area have been realigned into the Nanango Electorate.

## FUNDING FOR COMMUNITY PROJECTS - STRONGER COMMUNITIES PROGRAMME ROUND 3

Federal Member for Wide Bay Llew O'Brien is calling for expressions of interest for funding from Round 3 of the Federal Coalition Government's Stronger Communities Programme (SCP).

"Up to \$150,000 is available to support small capital projects to benefit local communities in Wide Bay" Mr O'Brien said.

"Eligible organisations, including councils and incorporated not for profit community service and sporting groups, can apply for grants of between \$2,500 and \$20,000 from the Government, supported by matching cash or in-kind contributions from other sources for the project.

"The SCP is a great opportunity for councils and community service and sporting organisations to seek funding for projects to help them improve their facilities and strengthen their communities."

Organisations should consult the SCP guidelines and the frequently asked questions on the website [www.business.gov.au/assistance/stronger-communities-programme](http://www.business.gov.au/assistance/stronger-communities-programme) to determine eligibility.

"I encourage organisations interested in bringing forward SCP project proposals to contact my electorate office on telephone 4121 2936, or the Sunshine Coast or Wide Bay Burnett Regional Development Australia Committees through the website [www.rda.gov.au](http://www.rda.gov.au) for further information," Mr O'Brien said.

"Applications will be prioritised by a local Stronger Communities Programme committee and assessed against the SCP guidelines to ensure that project proposals offer value for money."

SCP project proposals should be submitted by email to [Llew.O'Brien.MP@aph.gov.au](mailto:Llew.O'Brien.MP@aph.gov.au) by 31 July 2017.

Previous rounds of the SCP delivered funding to a range of organisations in Wide Bay, assisting with:

- renovations to the Gympie Jacana Girl Guide Hut;
- the new Cooroy Noosa Genealogical & Historical Research Group's building;
- Tewantin's Tait-Duke Cottage renovation; a new shed at Maryborough's Action Park;
- new vehicles for Cooloola Coast Medical Transport;
- lighting at Noosa Dolphins Rugby Club;
- playground equipment at Murgon's Rotary Youth Park;
- a new kitchen for Maryborough's St Vincent de Paul shop;
- improved access to Gympie's St Vincent de Paul shop;
- a technology upgrade for Maryborough and Gympie Maisie Kaufmann Learning Centres;
- the studio at Noosa Mens Shed;
- water conservation at Gympie Landcare;
- audio visual equipment at Cooloola Cove Veterans and Community Hall;
- broadcasting equipment for Noosa Community Radio;
- car parking at Murgon's Castra;
- upgrades to Maryborough's Child Care Centre; and
- a shed fit out for Gympie's Wordworks Museum.

## BIG BROTHER, THIS MAYBE NOT TOO FAR FROM THE TRUTH

- Hello! Gordon's pizza? - No sir it's Google Pizza.-  
So it's a wrong number? - No sir, Google bought it.-

OK. Take my order please..- Well sir, you want the usual? - The usual? Do you know me?

- According to caller ID, the last 12 times, you ordered pizza with cheese, sausage, thick crust- OK! That's it- May I now recommend ricotta, arugula with sun dried tomato?- No, I hate vegetables- But your cholesterol is 7.4- How do you know?- Through the subscriber's guide. We have your blood tests for the last 7years- Okay, but I don't want this pizza, I already take medicine- You haven't taken the medicine regularly, 4 months ago, you only purchased 30 tablets at Drugs Online- I bought more from another pharmacy- It's not showing on your credit card- I paid in cash

- But you did not withdraw that much cash according to your bank statement- I have another source of cash

- This is not showing on your last Tax form unless you got it from undeclared income source

-BLOODY HELL? Stuff Google, and Facebook, and Twitter, and WhatsApp. I'm off to an Island without the internet.- I understand sir, but you need to renew your passport; it expired 5 weeks ago.."

## NOMINATIONS OPEN FOR THE 2017 NATIONAL DISABILITY AWARDS

Federal Member for Wide Bay Llew O'Brien is encouraging individuals, workplaces, and service providers who have improved the lives of Australians with disability, to nominate for the 2017 National Disability Awards.

The Awards highlight the achievements in reducing social discrimination and bring positive changes for people with disability.

"People with disability and those who support them produce amazing programs and projects every day, enriching lives, and these Awards are a great way in which their remarkable achievements can be recognised," Mr O'Brien said.

There are five Award categories:

**Lesley Hall Leadership Award** – recognises excellence in development of reform opportunities that improve the lives of people with disability.

**Employer of the Year Award** – recognises excellence in workforce diversity by providing sustainable employment opportunities for people with disability.

**Community Excellence Award** – recognises excellence in improving access and participation in Australian life for people with disability.

**Excellence in Innovation Award** – recognises excellence in innovation in services, places, communities or accessible technologies to improve the lives of people with disability.

**Excellence in Education and Training Award** - recognises excellence in inclusive education or vocational training that delivers improved economic and social outcomes for people with disability.

Nominations close on 6 August 2017 and winners will be announced at a ceremony in Canberra on 3 December 2017.

### Labor's loony plan will hurt Qld'ers

The Palaszczuk Government's so-called carbon plan is nothing more than a blueprint for higher electricity prices and thousands of jobs losses for Queenslanders. It will mean the death of Queensland's agriculture, construction, manufacturing and resources industries - sectors that provide nearly one in three jobs.

Labor's emissions policy pretty much guarantees a carbon tax, billions of dollars in taxpayer subsidies and will destroy the livelihoods of tens of thousands of Queenslanders.

If Labor's new plan is implemented, Queensland's soaring electricity prices will be just the tip of the iceberg. Farmers and small business operators cannot grow or plan for the future when weighed down by crippling power prices.

The LNP supports national action on a renewable energy target, but not an extreme target that is unfair, unaffordable and unachievable.

## ‘Rotary:

‘Making a Difference’ is the 2017-18 world -wide theme for Rotary clubs to strive to make a difference in their communities and the world. Heath Sander, inducted as the incoming President of the Rotary Club of Murgon, has many ideas to achieve this.

The Changeover Dinner, held in late June, welcomed Past District Governor, Carolyn Krueger, Assistant Governor, Neil Black, Rotarians and partners, Deputy Mayor Kathy Duff and representatives from kindred clubs.

Rex Shelton masterfully kept the evening to order as the 2016-17 President Mark Quinn handed over the Presidency to local business man Heath Sander.

The Rotary Club of Murgon has had a busy year during 2016/17 financial year and was able to donate almost \$17,000 to help worthy causes. These comprised a mixture of national and international Rotary projects including their Cyclone Debbie Appeal and the National Youth Science Forum, plus local and national charities which included LifeFlight, the McGrath Foundation for local breast care nursing, Beyond Blue, Cystic Fibrosis, our own local First Aid Instruction and Services Group for 2 defibrillators, a contribution towards the refurbished Youth Park in Gore Street, and funds towards a Happy Hour night at Castra and Speech Night at the Murgon State High School. As well, they were able to provide some monetary support towards both the Earlyact Club at Murgon State School and the Interact Club at Murgon State High School.

The major fundraisers for the Rotary Club are the Barambah Bush Bash held in May and the Murgon Music Muster held in November.

It's interesting to note that the operating costs of the Barambah Bush Bash contributed over \$10,000 into mostly South and North Burnett businesses, clubs and museums during the course of the trip and the Murgon Music Muster's operating costs alone contributed just over \$30,000 to local businesses, clubs, museums and musicians. This substantial amount of money is separate to monies spent by visitors themselves in various local businesses and attractions.

Last year's Music Muster was very successful, thanks to the support of local businesses and the many volunteers plus Rotary members and their families, and of course, those who attended and enjoyed the music. The Club will shortly be asking businesses to help out once again with sponsorship and prizes for this year's Muster and we look forward to being able to help boost our local economy with this event.

---

## HIVESVILLE LANDFILL CLOSURE

Users of the Hivesville Landfill are advised that as of Monday 10 July 2017 the landfill is no longer available due to it reaching capacity.

Residents are now directed to the Hivesville Transfer Station to dispose of their waste. For disposal arrangements of bulk and commercial waste please contact Council's Waste Services on 4189 9100.

## RESERVE FORCES DAY BULLETIN JULY 2017

It is no small thing that a community such as is found at Wondai can continue to produce a Parade and Service as sound as it does. Co-operation, goodwill and even greater good humour count for something and the Committee is very grateful that this condition has allowed it to continue each year in good conscience and thank everyone who participated, contributed and/or acknowledged RFD 2017.

Although Parade numbers were down a little there were some contributing factors at work there including the need for a date change last year which led some to understand that the change was a permanent one. We can thank our federal politicians for that one.

The date is formally the nearest Sunday to the 1st of July each year, the 1st of July being the official birthday of each State's Regiments as of 1960 even though each Battalion of each State Regiment, save those Special Conditions Battalions which formed as a result of National Service after 1965, formed at different dates and times well before that.

In spite of that all the protocols of the Parade and Service were met with. Under a clear sky the Drums beat, the step was fine, the salutes were given and the words spoken. It was a fine effort from young and old alike. The Cadets of TS Krait had had a long day just to get here and they performed very well as I'm sure all will agree.

The theme for next year is the Australian Flying Corps in France and Palestine and it rounds out the commitment by the Wondai RFD Committee to the commemoration of World War One. The AFC in spite of the small numbers who served its squadrons, won renown as a superb fighting force assisting the Australian Corps as well as the various British Armies right up to and past the Armistice.

Whilst the official opening of the Murgon to Kingaroy section of the South Burnett Rail Tray will be held on the long weekend in October you can now enjoy the completed bitumen surface right through to Kingaroy. Local cycle enthusiast Trevor Otto enjoyed the Saturday morning ride with his son and grandchildren who visited from Noosa. The number using the rail trail is increasing daily and I can't wait till the final photos and commentary goes on display at the many areas along the trail, yes there is a lot happening behind the scenes. If you don't think you could cycle or walk to Kingaroy why not try a short cycle or walk to Wondai and enjoy the lovely scenery. Please remember when crossing the road sections to stop, look and listen before crossing.

*Photo L-R: Trevor Otto, Brendan Otto, Alex Otto, Craig Otto and Trevor Sanderson in the motorized Wheelie.*

## MURGON'S LOCAL HORSE AND SULKY

Hello everyone, my name is Fayanne Gibson and I am a local school student who wants to become a professional photographer. Recently I won a wide bay competition against other schools. Because I won the competition the Murgon moments has given me this amazing opportunity to write a column in the paper each month.

It's great to see our local men bringing some of our past to our present. With a kind donation to the Murgon Men's Shed, Kay Gustafson has presented them with a sulky which can now be used to train Spike Butlers' 4 year old appaloosa gelding Scamp, under the lovely Australian sun!

He is in the middle of being trained in an open area with cars and people whom surround him so he can be exposed to the public, therefore he can go to places and particular events, like for example the Goomeri pumpkin festival. Since the sulky was donated to him and the Murgon Men's Shed, Spike decided to give the people in the Murgon Men's Shed a ride around in it for a while and unfortunately Kay Gustafson was unable to ride in it so he gave Julian Quinlan a lovely ride.

Today what we encountered was a unique situation and we actually got to interview Spike himself, to write my first and surely not last column for the Murgon moments and I hope everyone enjoys it. I would like to thank Krystal Wardrop for helping me with some parts in the article.

## August 2017 Exhibition

*The month of August will see the Wondai Regional Art Gallery hosting three exhibitions.*

### **“Words Worthy” by Zane Stuart (Main gallery)**

A survey of Zane’s work and its themes over the last twenty five years reveals a large proportion of paintings, sketches and screen prints etc. containing words or phrases that have an impact on our daily lives. This in some cases has been unplanned or could be described as subliminal reactions to events both pleasing and in some cases traumatic. Zane has found it interesting to study the resilience of people and how they cope with pleasure and pain, often amounting in the utterance of a short phrase, like a long phrase might seem pretentious or maybe a waste of time. It’s a large subject, so instead of getting bogged down in heavy analysis, Zane has produced, deliberately this time, a series of singular words or short phrases to make easier our understanding of what a normal day is for many of us.

### **“From Here and There” by Denise Keelan (Front gallery)**

Denise’s collection of canvases and acrylic glass prints have been taken in the last twelve months on her travels and also when photographing Horse Endurance rides and weddings etc.

Denise has had an interest in photos for years and commenced taking wedding photos thirty years ago. Recently Denise has branched into taking Horse Endurance rides around South East Queensland. Other canvases are landscapes etc taken during her travels in the last few years.

### **“Art From Our Heart” by Monday Artists (Third gallery)**

Monday Artists are a group of artists who gather together twice a month to unleash their creative talents, and are quite diverse in their work. They have been together now for some 10 years and have all become good friends. Every so often they gather their works for an exhibition to showcase their talent, hence they give us “ART FROM OUR HEART”.

### **“Kids Korner” Proston State School**

Opening Night: Friday 4th August 2017, from 6pm.

\$5.00 entry includes Hot & Cold Supper & Punch

Wine will be served by Moffatdale Ridge, Live Entertainment

The exhibition will remain in the Wondai Regional Art Gallery until 4pm on Saturday 26th August 2017.

The exhibition will be open 7 days a week, 10.00am till 4.00pm. Free Entry.

# LARGE SCALE WALL MURAL AT THE SB PCYC

On Saturday 22nd July, Olivia Everitt was the Art Project Co-ordinator. Olivia, originally from Cairns now based in Kingaroy, with her husband who is a serving Police Officer at Kingaroy.

She coordinated a FREE youth mural workshop in Murgon open to ages 13-17. The workshop was facilitated by Toowoomba-based professional mural artist Brontë Naylor, who has recently been involved in First Coat Festival in Toowoomba and currently an artist-in-residence at Kontraband Studios. In this workshop participants worked with Brontë and a group of other teens to paint a large scale wall mural at the SB PCYC. The theme, learn new skills, connect with like-minded peers and express yourself creatively!

The 2nd project in Murgon will be the Telstra Sub Station Wall, this will be a different project with community consultation. Local Artists will be called to express their interest in this project once funding is in place. This will be a big project taking 5 to 6 days.

### Author Talk - Janice Gallen

Join Janice Gallen as she takes you down memory lane to the 1950s: a time when most women knew their place was in the home. There will be photos, an outline of her early life, some information on how Janice became published and a few short readings from her book "A Woman's Place"

"It's 1956. Polly Carpenter is wife, mother and homemaker. Her daughter, Kathryn, is expected to follow Polly's example. But Kathryn wants more. Can she hope to overcome the culture of the times to obtain a future career?"

To book please call the Kingaroy Library on ☎4189 9256.

## South Burnett Libraries

Did you know that South Burnett Libraries have a wide range of eBooks and eAudiobooks?

Bolinda Digital features the very best of Australian and international authors. A diverse range of digital titles gives South Burnett Libraries members access to authors they have long admired and opportunities to discover some they may not have read or listened to. This includes writers of the calibre of Matthew Reilly, Di Morrissey, Steig Larsson and Jeffrey Archer among others. Whether you're hungry for fiction, business advice, biographies, lifestyle writing or stories for young adults and children, you're sure to find the perfect title to borrow.

In this busy world of ten-second grabs and predictive text are we losing our ability to listen? Or worse – is it that we just can't hear for all the noise? Bolinda audiobooks are an invitation, a re-introduction to the pleasures of storytelling. Switch them on and switch off, let your ears get carried away by bards of the digital age.

Bolinda audiobooks are journeys in themselves. They transport you from wherever you are to wild and wonderful places – places that may shock and surprise, and places that exist only in the imagination. You could be sitting in the back seat of a car heading for Sydney, Longreach or Cairns. Perhaps Mum's at the wheel, or Dad, or even an alien invader.

For more information about how to access this fantastic collection, please visit Council's website [www.southburnett.qld.gov.au/ebooks-eaudiobooks](http://www.southburnett.qld.gov.au/ebooks-eaudiobooks)

## OUR TRIP TO INDIA

In early March 2017 Noel and Marlene King-Adams travelled from Murgon to McLeodganj, a former British outpost in the Dharamshala region North West India as volunteer English teachers for Tibet Charity, one of the many NGO'S set up to help Tibetans in exile. McLeodganj is home to a large Tibetan Buddhist Community where the 14th Dalai Lama lives in exile and where there is a Buddhist temple and a number of monasteries.

During the three months they were there, Mr and Mrs King-Adams were able to make the journey to Dehradun (the capital city of Uttarakhand, a state in the northern part of India. Located in the Garhwal region,) where Noel was born and lived for the first 7 years of his life.

It was a highlight for Noel to be able to revisit the town of his birth after an absence of almost seventy years. Whilst there, they visited St Thomas College where Noel had been a student during 1946 and 1947. In 2016 the school celebrated its centenary and the Deputy Principal presented Noel with a copy of the schools commemorative book called "The Thomasian Centenary Issue 1916-2016", as well as some other memorabilia. Noel and Marlene also visited the Coronation Military Hospital where Noel was born.

However, all Endeavour's to locate the former family home proved fruitless and after many enquiries it seems that the home was demolished several decades ago in order to make way for a number of small shops.

While in McLeodganj, they were privileged to attend 3 days of teachings (which were translated into English via radio) of the Dalai Lama.

The precincts of the Buddhist temple were filled to capacity with thousands of eager listeners including many foreigners.

The climax of their stay in India was an audience with the Dalai Lama in the last week of their time there. Their trip proved to be a very memorable experience for both.

# FISHING REPORT

Warm days bring the flats to life.

The winter weather is now in full swing and it's about time too! It's been unseasonably warm this year and the fish have been sitting deeper than usual. It's been a great month for fishing on our inland impoundments, especially Boondooma and Barambah with some great reports coming from all over the dams of great catches of native fish.

## Lake Boondooma

Early mornings on Boondooma have been crisp and very still and the best place to start your day flicking lures is on the edge. Here, you've got a few options. The first option, you could stop off at one of the many remaining weed beds that have developed around the fringes of the dam and start by throwing jerk baits. The secret here is to choose a jerk bait in a bright colour that is 60 to 70 mm long and suspends when paused on the retrieve, my personal choice is the Nories Laydown minnow. The best method is to cast the lure to the weed edge and slowly roll your jerk bait down. Twitch the lure a couple of times when you're down to the swimming depth and repeat this process continuously. Twitch the lure regularly and make sure you add lots of pauses in between. The bass have been cruising through the weed and have been smashing any small jerk bait that has been presented as I mentioned. Make sure you're ready for the bite at all times as the bass absolutely hammer these baits in the weed. It's a fun way to fish but you must be patient and move a few spots if you're not having much luck early on.

Jerk baiting this time of year is a fun way to fish.

Option number two is finding a good steep rocky edge that has some laydown timber on it. These edges have been producing some great fish. Both the Boyne and the Stuart arms have edges like this and it's worth taking some time to fish them well with lipless crank baits and spinner baits. It's a good idea to do this as early as you can, because the fish tend to become very wary as the sun comes out.

Another great option when the sun is well up and the day is starting to warm is the main basin. The basin is holding some good schools of big bass. These fish are cautious to bite of a morning and I can only put this down to water temperature, and sunlight, but after lunch when that water warms these fish seem to switch on immensely. The best spots to check are the Junction through to Pelican Point, Leisagangs ledge and the Barbour's Pole. Cast 1/4 to 3/8 ounce blades and let them sink to the bottom. Use a slow retrieve and let the lure sink back to the bottom occasionally through the retrieve. Also, don't go past tail spinners, 12 gram being the best, cast them out and let them sink to the bottom. Use a slow lift and pause retrieve all the way back to the boat, the fish will usually hit the lure when it's sinking back to the bottom.

Trollers are getting some good yellow belly in the arms of the dam using deep diving hard bodies. Troll in close to the timber of the rocks in the Boyne arm.

Bait fisherman your best chance is to fish the trees in the arms of the dam in 20 to 30 feet of water with live shrimp, worms and yabbies.

Some great reports of good numbers of big red claw coming in, dog biscuits and soft vegetables proving to be great bait for their opera house pots. Place your pots just wide of the weed beds and you should get a feed.

## Lake Barambah

The dam has gone a little quiet of late but that's not unusual for this time of year, some good fish can still be caught if you're persistent and hit the right areas. Unlike Boondooma, the bass and yellow belly have been caught well out in the deeper flats of the dam. Look for flats that are in the main basin from 15 to 25 feet. Once you locate a school in this depth the best bait to throw of late is the Ecogear ZX 40 blade. This little lure is very versatile and can be fished by jiggging vertically or cast and hopped back to the boat. Small hops are the secret, as the fish have been quite tentative during the day.

Yellow belly are still able to be targeted but you'll need to hit any areas that have cover for them. Look for rocky edges, trees or a mixture of both. Jig blades or ice jigs around any trees or structure or cast spinnerbaits into the pockets around the edges or any trees and your very likely to catch a few.

The results of a successful session on the flats resulted in these two-cracking bass.

Trollers are still catching fish but it can be a little slow this time of year. Beware that the trees in the back of the dam are no longer an option

as the water is very shallow and you will ground the boat. Best options for trolling are around the main lake points. Deep diving hard bodies and blades are a good option.

Red claw are still active but make sure you let your pots soak long enough. If you're staying at either one of the parks overnight, this will be plenty of time to get a good feed of reddie's.

#### Park News

Winter is an awesome time of year to be out camping, especially sitting around the camp fire and telling stories. If you're camping in the park please make sure your using an already existing fire place. If not please see the manager for an approved fire drum. Wood can't be collected from the park so please make sure you bring your own. The 9 smaller cabins at BP are having a facelift and all will be finished by the September holidays. Don't hesitate to call up and book now to be one of the first to check them out and experience the new improvements.

# APPLICATIONS ARE NOW OPEN FOR THE QUEENSLAND ANZAC CENTENARY GRANT PROGRAMS

In the next 12 months, over \$1.8 million in funding will be available to communities through the Queensland Anzac Centenary grants programs.

Both the Spirit of Service and Lasting Legacies grant programs are now open.

The **Spirit of Service** grants program provides funding for projects up to \$20,000. Applications for this round will close on 15 October 2017.

**Lasting Legacies** grants program provides funding between \$20,001 and \$80,000. Applications for this round will close on 20 August 2017.

## Mephisto returns to Queensland

One of Australia's most significant war relics *Mephisto* has returned to Queensland after it was temporarily loaned to the Australian War Memorial by Queensland Museum from June 2015 to May 2017.

*Mephisto* is the only surviving German A7V *Sturmpanzerwagen* tank in the world, after being captured during the First World War near the French town of Villers-Bretonneux in July 1918. The tank was salvaged by two tanks from the Gun Carrier Company supported by a party (a sergeant and 12 men) from the 26th Battalion, comprised mainly of Queenslanders. The recovery was carried out at considerable risk under the cover of darkness and the abandoned tank was towed behind allied lines. It was then sent to Australia as a war artefact, arriving in Brisbane in June 1919 where it was towed by two Brisbane City Council steamrollers to the old Queensland Museum.

Weighing in at 34 tonnes, *Mephisto* has undergone specialist conservation at the Australian War Memorial, such as installing replica guns, replacing oils and fluids within the engine, and corrosion treatments on the body of the tank. *Mephisto* will continue to undergo further remedial conservation works by Queensland Museum curatorial staff while housed in a 'carcoon' (a de-humidified balloon-like cover) at The Workshops Rail Museum in Ipswich ahead of its display in a new permanent gallery, scheduled to open in late 2018 at Queensland Museum Southbank.

First World War tank, *Mephisto*, housed safely inside a carcoon while it undergoes further conservation work.

---

## MURGON CAMERA CLUB

During the Month of August the Murgon Camera Club will be showcasing 30 photographs at the Murgon Visitor Information Centre. The images are the 30 top photos of the 2016 Cliff Krebs memorial Trophy print competition. The photos are taken by photographers from all over the South Burnett. You are invited to view this once in a lifetime collection.

## **BJELKE-PETERSEN DAM FISH MANAGEMENT COMMITTEE**

Plans have been discussed at our bymonthly meeting to once again run a fishing comp at BP Dam in 2018 and also to construct a club house. Committee to investigate updating posters and lists of fish numbers put into the dam on our notice boards. It was also decided to purchase for sale new catch mats depicting a ruler and photos of the most common caught Silver Perch and Yellowbelly with our new logo emblazoned on the mat. These will be available at the BP dam office in the coming weeks.

We welcome anyone interested in joining our association and look forward to seeing you and hearing your ideas at our next meeting on 19/9/2017

Remember it is through your permit fees that we are able to restock large numbers of fish in your dam.

South Burnett Sub Chamber Final winners lineup at the Wondai Diggers Club.

Members of the Murgon Lions Club at their Annual Changeover Dinner with their new President (centre) Mark Shackleton who will lead the club in 2017-2018.

## **LOCAL PROBLEM, FEDERAL ISSUE? ASK LLEW**

Llew O'Brien, Federal Member for Wide Bay, will be available again for constituent interviews in Gympie, the South Burnett, the Mary Valley, the Cooloola Coast, and Noosa in the coming weeks.

Thursday, 27 July Murgon Council Office, 10.00am, Goomeri SES Office, 12.00pm

Meetings are only by appointment and are available by telephoning 1300 301 968 or 4121 2936.

Combined Proston Wondai Lion's Changeover Dinner at the Proston Bowls Club.

## \$318 million Gonski funding boost one step closer for Wide Bay schools

An additional \$318 million for Wide Bay schools is one step closer after the Coalition Government's Gonski needs-based funding plan passed the House of Representatives.

Federal Member for Wide Bay Llew O'Brien said on average, each local school in the electorate would get a \$4.3 million boost over the next 10 years under the Coalition Government's needs-based funding reforms, which had been endorsed by David Gonski.

This is one of the orchid species named flower of the holy spirit. It starts blooming during pentecostal period once a year. Before bloom, it looks like praying saints, when the flower blooms, it looks like a flying dove. How amazing is God's Creation!

## **Date Claimer - 14TH OCTOBER 2017 - DUSTY DAY OUT**

Dusty Day Out limited to 400 people is now in its 5th year and has been a sellout event for the past 3 years.

By keeping the numbers limited it makes the Dusty Day Out more intimate and allows us to still serve our full fantastic food and drinks menu at Prendergast's Irish Tavern as well as a few other food stalls.

Live music from midday to midnight - Bands include

- Sun Salute - Pop Standen & Band - Full House - Bad Habits - Whiskey & Me - The Venture - Bob Mouat  
Camping/Vans/Motorhomes on site is free for this event. No powered sites or shower facilities

Dusty Hill is a fully licensed property and is strictly no BYO alcohol, No food or beverage will be allowed into the venue/performance area. No pets allowed

Courtesy buses are available at times throughout the day from Goomeri, Murgon and in-between

For further information please contact Dusty Hill on (07) 41684700 or visit [www.dustyhill.com.au](http://www.dustyhill.com.au)

Tickets are booked through Eventbrite.

## Cyber Bullying

There have been multiple inquiries at the Murgon Police Station from concerned parents of children, wanting to know more about what they can do about cyber bullying and how to report it.

I would like to introduce [www.esafety.gov.au](http://www.esafety.gov.au)

The site is an Australian Government Site run by the Office of the Children's eSafety Commissioner. The Office is committed to helping young people have safe, positive experiences online.

On the website it allows any person to report Cyber Bullying. It also provides resources for parents and educators such as:

- How to manage your child's devices
- Strategies used by parents to keep kids safe online
- Current facts and stats about what this generation of children are doing online
- Sexting
- Protecting your information
- Digital reputation
- Unwanted contact
- Leaked photos and social media.

The site offers access to various other resources such as kid's helpline, the reporting of offensive or illegal content online and victim stories regarding cyber bullying and the release of private material and the victims approached to resolving the issue.

If you have children, are in a role where you deal with children or just want to know more about the risks online, I would encourage everyone to visit the [www.esafety.gov.au](http://www.esafety.gov.au) website.

**Constable Cory Lubbock.**

Narelle Cheshire's send off at Lesley Thun's home.

## AIR-CONDITIONING THROUGHOUT THE ENTIRE BLOCK

Over the next 3 weeks, C Block building at the Murgon State School is undergoing significant renovations including the installation of air-conditioning throughout the entire block. This will be a welcomed addition to these classrooms in both Summer and Winter. I'd like to thank both teachers and students for their patience and adaptability to commence this term in temporary learning spaces – Thank you, but the wait will be worth it!

*Yours in Education, Daniel Bishop, Principal*

In the early hours of Tuesday morning (18th July) the foundations were laid on the extensions to the Murgon Men's Shed. The new building can now be erected and it is planned that erection can now be completed within a month. This will give the Murgon Men's Shed a larger covered section for their many projects. The restoration of the rail carriages is another project that is being worked on and it is envisaged that major works will be close to completion in time for the opening of The South Burnett Rail Trail.

## BURNETT BIRD KEEPERS ASSOCIATION INC

It has been a busy few months for the Burnett Bird Keepers. We began with our local Nanango show where birds were displayed and judged. Prizes were awarded to some veteran breeders, as well as the upcoming young bird keepers. We also had displays at the Kingaroy and Murgon shows where the birds were admired by many. Our annual sale was held in May, which was a great day with many stallholders, and a large variety of birds and accessories were for sale. Our fuel raffle was drawn and the lucky winner was Jack Scott. Wally and Claire Sawatzki kindly donated a pair of Scarlet Parrots and they were won by Mr Rassmussen. At our last monthly meeting members were enthralled by an interesting film about Australian and exotic finches with some wonderful footage. Each month we have a stall at the Nanango markets. It is a great opportunity to meet

people and purchase birds and accessories direct from breeders. Our meetings are held at the Les Fogg Pavilion on the 4th Wednesday of the month at 7pm. New members are always welcome and you do not need to own birds to be a part of the club. Contact Lyn on 4163 1668 for further details.

---

## THE SOUTH BURNETT BRANCH OF THE POLICE-CITIZEN'S YOUTH CLUB.

Tamara Fanning (pictured) is the newest addition to the South Burnett branch of the Police-Citizen's Youth Club. Tamara has been with the Queensland Police-Citizen's Youth Welfare Association for the past year as a Community Development Officer at the Toowoomba branch, facilitating youth development with the local high schools a part of their Restart Program. Tamara has taken up the position of Safe Communities Coordinator with a background of Bachelor Degrees in Business and Psychological Science, previous employment with the Royal Australian Air Force and overseas internship. Originally from Brisbane, Tamara has travelled to continue her passion of learning and experience for working with our youth and communities.

Described as a Psychological Literate Aspiring Healthcare Professional, we look forward to introducing Tamara into our team and community and look forward to outcomes that she may bring to her role.

With the commencement of Tamara, we should be seeing a return to the RUBY Program. The Domestic Violence Victims Assistance Program, and with partnerships with the Queensland Governments "Not Now, Not Ever" initiative, the South Burnett has been able to be one of the initiating developers to continue its success and protection of women.

The Boxing program will also commence again, with the setbacks now rectified. As a leader of youth boxing initiatives, the PCYC has engaged a new Youth Ambassador with Jeff Horn (and yes that is Michael Eddie in the background)

### **“CASTRA” The Facts**

Shelley Lee, Residential Manager of Castra brought the Murgon Business & Development Assoc up to date with changes to funding that are affecting Southern Cross Care Aged Facilities. Shelley advised that while there will be cut backs in staff working hours they are working closely with all staff to ensure that there is a continuance of the quality services delivered at Castra. Shelley is confident that the facility will remain efficient. The cuts follow the loss of 1.5m Government funding for this non for profit organization which is going to Community Services, which will help keep people in their homes for longer.

Time for a Cuppa and lots of fun - Biggest Morning Tea at Mike & Andrea Stewart's Mondure home.

## **BARAMBAH GARDEN CLUB NEWS**

On Friday July 14 we visited RAMESA herb nursery. During morning tea we were able to talk to our hosts Romaine & Peter. We then had a tour of their nurseries.

The first was a hot house full of dobosia plants. The plants would soon be hardened of ready for planting in farms around the South Burnett. Then we went into the shade house which was full of herbs and cottage garden plants and finally into the garden when there was an array of plants growing.

We all enjoyed our visit and would all like to visit this nursery again

***Until next time Happy Gardening***

Congratulations to Jason and Lorna Williams and family who entered a competition with SBS and won a brand new Holden Astra Hatchback. Life hasn't been easy for Jason since coming to Murgon trying to find permanent employment & serious mechanical problems with their previous car and I was so glad to see the smiles on their faces when they told me what had happened, from the old car blowing up and now to this, a brand new car.

## WIDE BAY IN PICTURES COMPETITION WINNERS ANNOUNCED

Lewis Hopkins, Cherbourg State School from Cherbourg Aboriginal Council

Skye Hanson, Kilkivan State School from Gympie Regional Council.

“Students captured the diversity of Wide Bay in their scores of photographic and artistic entries, with images depicting coastal sunsets, heritage buildings, scenic hinterland, and productive agriculture, as well as some very creative works.

“Every student who entered the competition will receive a special Certificate of Appreciation, and the winning schools P&C committee will receive a \$200 donation.

“I thank the schools for encouraging their students to enter the Wide Bay in Pictures competition, and I especially thank the students for their wonderful contributions.”

Lewis and Skye join Fayanne Gibson, Murgon High School in the South Burnett Regional Council as Wide Bay in Pictures competition winners

“The students’ pictures will be a focal point in my Parliament House office, and become a conversation piece about Wide Bay’s beauty, to encourage people to come to our electorate to experience all Wide Bay has to offer.

Llew O’Brien MP | Federal Member for Wide Bay

Murgon Rotary Club, SB PCYC and the South Burnett Regional Council celebrate the official opening of the Murgon Rotary and Youth Park with children from the Murgon State School and St Josephs Murgon.

1st Birthday Open Day!!

56 Gore Street, Murgon, Throughout the day we will be hosting talks and some demonstrations.

- 9am           **Professor Cliff Hawkins**
- 11.30am      Hatha Yoga demo and talk by Theresa Thornhill
- 12pm          Kinesiology talk by Sharon Sippel
- 12.15pm      Homeopathy talk, & Bowen Therapy Demo by Leanne Sippel
- 12.45pm      World Organics Skincare & Makeup Demo (can try anytime if you wish)
- 1.45pm        Karate self-defense and Kata demonstrations

Free Admission, Light Refreshments, **RSVP Essential** Leanne on 0438 684 705

The Founders of Biohawk products, Professor Cliff Hawkins and his wife Bernice, will give a talk on their products and their gut-healing properties at Integrated Healing Therapies 1st Birthday Open Day on Saturday the 12th of August 2017. The day will begin at 9am with Professor Hawkins talk, and continue with numerous other talks and demonstrations on the services we offer. Professor Hawkins will spend significant time chatting with individuals, so please come and meet him.

If you can't make the day, tune in to CrowFM on Thursday the 27th of July at 11am to hear him interviewed.

### **Professor Cliff's impressive Bio..**

Biohawk was founded by **Professor Cliff Hawkins** and his family. Professor Hawkins studied for his Honours Degree in Chemistry from the University of New South Wales' college at Newcastle and for his PhD in Medical Chemistry from the John Curtin School of Medical Research at the Australian National University in Canberra in 1963. He was awarded a Doctor of Science by ANU in 1980. He has the distinction of being awarded the Mendeleev Medal by the Kurnakov Institute of General and Inorganic Chemistry of the Russian Academy of Sciences for outstanding work in Chemistry, and the Inorganic Chemistry Medal of the Royal Australian Chemical Institute. He has held academic and research appointments at the HC Oersted Institute of the University of Copenhagen in Denmark, the Massachusetts Institute of Technology, the University of California Berkeley, the University of California Davis, University of Virginia Charlottesville, and the University of Queensland where he was Professor of Chemistry, Dean of Science and Pro-Vice Chancellor (Biological Sciences) prior to taking the appointment as Principal of the University of New England – Armidale, Australia's leading rural university.

His work with the cattle industry led to the headquarters of the Beef Cattle Research Centre being named the "CJ Hawkins Homestead". He has held the Presidency of the Australian Registered Cattle Breeders Association Inc and the Australian Coral Reef Society Inc. He left academy in 1994 to work in the medical industry firstly as the CEO of ICT Diagnostics and Austcard International that developed and sold rapid diagnostic tests for a range of important diseases, and to research why members of his own family had life-threatening health conditions and how he could overcome these serious conditions. His research in this area led to invention of the Biohawk technology and the production of the Biohawk's ginger and pineapple products. Professor Hawkins quickly came to understand that his family's health problems were also being experienced by a very significant number of people, and indeed most diseases originated in the gut from the food we choose to eat.

This T shot by local golfer John Watt wasn't enough to get his group to the trophy table in the 2017 Clifton Motors Holden Scramble event but a great day of golf was enjoyed by all the players.

Runners up in the 2017 Clifton Motors Holden Scramble event Glen McGannon, Terry Scott, Daniel Bishop & Liam Burgess celebrating with far right Club Captain David Payne & President Clowry Kennel.

The winners were all smiles Kurt McArthur, Steven Alexander, Craig Klibbe & Jeff Labuschewski celebrating with far right Club Captain David Payne and President Clowry Kennel. Thanks to Leo and Glenda at Clifton Motors Murgon the sponsors of one of the biggest golf tournaments on the Australian golfing calendar "The Holden Scramble" that came to Murgon on Sunday 2nd July. A full field enjoyed a beautiful day together trying to qualify for the prestigious regional final.

## JOKE FOR THE MONTH

A certain farmer had six constipated cats. He phoned up the vet, and said, "I've got half a dozen constipated cats here. What would you recommend for them".

But the vet thought he said, "half a dozen constipated cows" and prescribed a dose of salts that would have got a herd of elephants on the move.

The farmer in all innocence, gave this dose to his cats, and the next day he phoned the vet up again.

"Look" he said "about those cats.....". But this time the line was better, and the Vet heard exactly what he said. "Cats!" he said, I thought you said cows! What are they doing now?"

"Well," said the farmer, "two are digging, two are filling in, and two are looking for fresh ground."

# Kathy's Comments

## CTC Tour

I was invited along on a bus trip to check out the work that CTC does across our region. I have to say that I simply had no idea just how much work this amazing group do for our region. CTC stands for Community Training Centre but they have evolved into something much bigger than a training organisation. Their work extends from helping people with disabilities right through to disadvantaged and struggling youth, working with aged care, mental health and foster care and helping disconnected families. We had a beautiful lunch at Gumnut place and toured their amazing facility with the trophy making, the pellets and the laundry service not to mention their signature jam drops and slices!! I take my hat off to John Box who chairs the Board and Nina Temperton who is the CEO.

## Help for Proston Men's Shed

The Proston Men's Shed have expanded and outgrown the Council owned Cultural Centre in Proston. They want to purchase another building for a shed and everyone is pitching in to help them fund raise. Please let me know if you would like to make a donation to help this great group reach their goal.

## Council Budget

The Council budget has been a challenging one and unfortunately there will be some reductions in staff numbers over the next period. We have to downsize and rationalise what we do to try to keep the rates down as much as possible. We have some small projects in the budget including an exciting upgrade to Lions Park in Murgon to help to celebrate Lions 100 years of Lions International. In Proston we will be doing a bit more work at the cemetery and a footpath between the two halls. In Hivesville we are putting lighting at the new amenities block at the Sportsground.

## Light Murgon Up

The project for the CCTV cameras and lighting will be around the main business centre, the lily pond, Skate Park and Men's Shed. It would be fantastic if all the residences could put up at least one motion censored solar floodlight on the outside of their house or building to complement the project and help to discourage crime all over Murgon. These lights can be purchased for under \$50 and you don't need an electrician to put them up. I am hoping that everyone will come on board and help to make Murgon safer.

## Mondure Courts thank you

I was really pleased to receive a phone call from Denise Steinhardt to say thank you to our Council for a community grant to have the courts reserviced, new nets and a new broom. Denise said that the club is delighted with the success of the project.

## South Burnett Rail Trail Update

The number of people using the new South Burnett Rail Trail is simply amazing. I have to say being a horse person and not into running, biking or even walking I was not sure if the Rail Trail would be a success. However the Wondai Parkrun, the Wondai Country Festival and the school holidays have really brought some activities onto the corridor. I have heard complaints from businesses not being able to handle the influx. I have had great feedback from businesses having to stay open outside hours to accommodate extra visitors.

There are groups wanting to raise money to support the rail trail and start a friends of the rail trail organisation. There is incredible interest from all directions including over 1000 likes on the new Facebook page. The Rail Trail festival and official opening on the October Long weekend is gearing up to be a great event with every town along the corridor involved. We are inviting the schools to be involved with some of their cross country runners carrying batons into the towns as part of the celebrations.

## One Hundred years of Wondai Show

This year is the centenary celebration of the Wondai Show. I had the incredible privilege of launching their centenary book. It even has a photo of me riding my pony Gay Lady to win Champion Pony Hack when I was a little girl. The Governor will be opening this special show on September 2nd this year so please save the date and support this great part of South Burnett history.

## Barambah Ministers Association Visit

It was fantastic to have members of the Barambah Minister's Association visit my home for breakfast & prayers. I don't think some of the Ministers realised how far I live out in the bush. It is around 120kms from Murgon to our property, "Di Di" so I was really flattered to have so many members make the effort on a cold winters morning.

## Contact Details

As always I am working on following up jobs and concerns that have been brought to my attention. Please contact me if you have an issue or wish to make an appointment.

## **2017 WONDAI SHOW**

### **- continuing the Vice-Regal tradition**

At least two Queensland Premiers and four Queensland Governors have opened the Wondai Show since it was first held in 1911. So it is fitting that the 100th Wondai Show will be officially opened on Saturday 2nd September by His Excellency the Honourable Paul de Jersey AC, Governor of Queensland.

Show Secretary, Noreen Brier, says that the Society's members are "thrilled" that the Governor and his wife will be in attendance at this year's show. "This is a very special event both for the Show Society and the wider Wondai community and having someone of the Governor's stature as our special guest is 'the icing on the cake'."

The first Wondai Show was held in May 1911 but owing to drought, depression and war, shows were not held in some years, with 2017 being the actual 100th Show. "This is a testimony to the enthusiasm, dedication, perseverance and sheer grit of the Show Society members down through the years and we are planning a BIG event to mark this momentous occasion," Noreen adds.

A Centenary Book has been compiled, tracing the history of the Society from its beginnings, with lots of anecdotes and stories from and about the many people involved over the years. This will be on sale from the middle of June. The Show Schedule should be available early July but individual sections will be up on the website before then. "We encourage everyone to have a look and consider entering something in the Show. There are a number of Heritage/Centenary classes, with special Centenary Rosettes on offer for the winners."

A feast of football lasting all day with juniors and seniors in Murgon last Saturday. Murgon Mustangs A grade Rugby League side defeated Kingaroy Red Ants 34 to 12 in Murgon.

## DOWNLOAD THE EMERGENCY + APP TODAY

A recent incident in north Qld has highlighted the value in having the Emergency+ App on your mobile phone.

A woman suffered a serious fall whilst bushwalking and her 12yr old granddaughter rang for help. As she wasn't sure of their location the 000 operator talked her through the download process for the Emergency+ App. This then provided the GPS coordination of their location allowing a paramedic crew to be promptly dispatched.

Taking a few minutes to download the Emergency+ App could save critical time in an emergency situation. It is estimated that more than two-thirds of Triple Zero (000) calls are now made from mobile phones and often people are not sure of their exact location if they are travelling or visiting an unfamiliar area.

By having the Emergency+ App ready on your mobile device and knowing how to use it, 000 operators can send help to you quickly.

The Emergency+ app is a free app developed by Australia's emergency services and displays the latitude and longitude coordinates derived from the smartphone's GPS function.

It is available for download for Apple, Android and Windows devices. Visit <http://emergencyapp.triplezero.gov.au/> to find out more.

## MARKET REPORT - MURGON NUMBERS BACK TO 600

Numbers eased back to 600 in Murgon on Tuesday partly due to the isolated rain areas around the region over the previous few days. The market for all descriptions was back slightly on the previous sale with vealer heifers taking the brunt of the reduction in values. Export cattle and feeders were also cheaper. Cattle were drawn from Mundubbera, Mt Perry, Gayndah, Biggenden, Durong, Kingaroy, Nanango & locally.

**Bullocks** sold to \$2.77 c/kg and \$1950.00. **Heavy Cows** over 500 kgs sold to \$2.28 c/kg and \$1650.00. Cows in the 400 – 500 kg range averaged \$2.12 c/kg topping at \$2.17 c/kg and \$1075.00. **Lighter Cows** under 400 kg sold to \$1.97 c/kg. Bulls remained fairly firm selling to \$2675.00 at \$2.66 c/kg. G Schneider Gayndah sold **Droughtmaster steers** for \$1540.00 (3.10) & \$1260.00 (3.15). E, A & A Randle Speedwell sold Murray Grey steers for \$1320.00 at \$3.21 c/kg. **Angus steers weighing 354 kg** a/c W & K Sippel Murgon sold to \$1170.00 at \$3.30 c/kg. 370 kg Santa steers from Goomeri sold to \$3.27 c/kg returning \$1210.00. S Roth Gayndah sold Droughtmaster steers for \$1050.00 at \$3.35 c/kg. B & A Gannon Gayndah sold **307 kg Charolais cross weaner** steers for \$3.38 c/kg returning \$1038.00. Brahman cross weaner steers from P & A Dingle Mt Perry sold for \$1067.00 at \$3.37 c/kg. Their Braford cross weaner steers sold for \$3.43 c/kg for \$880.00. 270 kg Angus weaner steers from P Ruthenberg Proston sold for \$3.50 c/kg and \$947.00. Perrett Traders Jimna sold 240 kg Charolais cross steers for \$864.00 at \$3.59 c/kg. Santa cross weaner steers from Eidsvold sold for \$714.00 at \$3.51 c/kg. R & F Nichol Mt Perry sold **Charolais cross heifers** for \$1118.00 (2.90) & \$1056.00 (2.79). Glenrock Cattle CO Johnstown sold Gelvieh cross heifers for \$1048.00 (2.93), \$963.00 (2.80) & \$847.00 (2.84). L & T Smith sold 325 kg Santa heifers for \$956.00 and \$2.94 c/kg. B & A Gannon Gayndah sold 3 pens of Charolais cross weaner

heifers for \$3.15 c/kg averaging \$854.00. 250kg Santa cross heifers from Crownthorpe sold for \$739.00 at \$2.94 c/kg. The next Murgon sale is on Tuesday the 25th of July at 8.00 am.

## \$45.25 MILLION TO STRENGTHEN COMMUNITY HARMONY

Community organisations in Wide Bay can now apply for a share of \$45.25 million in Australian Government funding for projects to help build inclusive and resilient communities.

Federal Member for Wide Bay, Llew O'Brien today encouraged local organisations to apply for Strong and Resilient Communities (SARC) grants, which will enable community groups to build people's skills and capacity to actively engage in their community and improve their chances of getting a job.

"The grants will help local organisations overcome disadvantage and build strong, safe, socially cohesive communities," Mr O'Brien said.

"The Coalition Government's investment in these grants recognises the important role local communities play in fostering social cohesion and strengthening national security."

Projects may include cultural, educational or sporting activities that bring people of different cultures or faiths together; the development of online platforms for marginalised youth, and training and volunteering opportunities for humanitarian entrants or newly arrived migrants.

Minister Porter said the Coalition Government is also providing an additional \$19.95 million to fund Volunteer Management Activity until 2021. This funding will support volunteer organisations to encourage and increase volunteering in communities across Australia.

"Well integrated and cohesive communities are underpinned by high-levels of volunteering and community participation," Minister Porter said.

Local organisations can apply for SARC grants under two funding pools – Inclusive Communities Grants and Community Resilience Grants.

"Community organisations can benefit from \$60,000 to nearly \$500,000 in funding for each project they deliver up to 2021," Mr O'Brien said. Applications for Inclusive Communities Grants and Community Resilience Grants are open until 23 August 2017.

***For more information or to apply for a SARC grant,  
go to the GrantConnect website at [www.grants.gov.au](http://www.grants.gov.au).***

### LEVEL 3 WATER RESTRICTIONS STILL IN PLACE

Council would like to remind residents that Level 3 Water Restrictions are still in force throughout the South Burnett Region in all of the town areas.

Level 3 Restrictions do not allow for sprinklers to be used. Hand held watering hours have been adjusted for the winter months and is now permitted from 7.00am to 8.00am, and 5.00pm to 6.00pm on Tuesdays, Thursdays and Saturdays for odd numbered houses and Wednesdays, Fridays and Sundays for even numbered houses. No residential watering is permitted on Mondays.

Further details are available on the Council website at [www.southburnett.qld.gov.au](http://www.southburnett.qld.gov.au) or by contacting
