About Us

From small to large vehicles, we maintain excellent repair services at Murgon Tyre & Auto. We are a local family-operated business in Murgon that can help you take care of your vehicles. We carry high-quality products from known brands, such as Stihl, Cox and Gravelly. We have a large workshop where our motor mechanics can check your vehicle for performance issues. We can do wheel alignments and brake and clutch services using only the best diagnostic tools available in Murgon. We repair your tyres, shock absorbers, springs and suspension systems with precision and expertise. Our motor mechanics are all licensed and insured to provide only professional care for your vehicles in Murgon.

We make sure that you get only the best auto and tyre repair from our team at Murgon, and we guarantee friendly and affordable rates that can fit your budget. If you are looking for motor mechanics for your tyres and automobile repairs, contact us at Murgon Tyre & Auto today. We're always ready to help your vehicle reach its top performance.
